SENIOR CITIZENS

The Senior Citizens Club of Madoc and District held their regular meeting at the United Church basement on Wednesday, April 28th. The members were happy to welcome back President, Mrs. Broadworth, after her holiday.

The meeting opened by all repeating the Lord's Prayer and Mrs. Broadworth read a short poem. As the weatherman was most unkind, attendance was not as large as usual.

Roll call, "name your favourite television program", was answered by twenty-five members and one visitor was present. In the absence of the Secretary, Miss Raney, the minutes of the previous meeting were read by Mrs. Fox.

Several matters of business were discussed. It was decided to take a bus trip to Ottawa on May 18th. Further details are to be arranged at the next meeting, which will be held on May 12th at the usual time and place. The Lunch Committee will be Mr. Roland Williams, Mrs. Roland Williams, Mrs. Carmel O'Riordan, Mrs. Myrtle Revoy and Mrs. Adelaide Lahey.

The program convener was Mrs. Hilda Declair and the remainder of the afternoon was spent in playing various games. "Happy Birthday" was sung for several members, who were celebrating an April birthday. Lunch was served and a social half hour enjoyed. Don't forget the next meeting on Wednesday, May 12. Come and bring a friend.

COMMUNITY SOCIAL EVENING

A large group turned out to take part in the Community Social Evening held in the Madoc Township Public School on April 28th, under the direction of the Adult Activity Committee.

The evening began with playing rousing games of volleyball and then the remainder of the evening was spent in playing various card games and other quieter games.

These successful evenings are due to the enthusiasm of the community.

The ladies served a delicious lunch, bringing an enjoyable evening to a close.

The next Community Activity night will be held on May 12th and everyone is welcome.

Pictured above, left to right, are Wilfred Forestell of Madoc, m.c.; Larry Matheson of Prince Edward County, guest speaker; and Mr. Ross Ketcheson of Moira, at the Urban Night of the Hastings Farm Service Club held last week in Stirling.

Hastings Farm Service Club Holds Urban Night

Last Thursday evening, April 29th, a delicious roast beef dinner was served to the members of the Hastings Farm Service Club, their wives and guests, in St. John's Anglican Church, Stirling.

Master of Ceremonies for the event was Mr. Wilfred Forestell of Madoc. Grace before the meal was said by Mr. Percy Ray of Thurlow Township, and following the meal Mr. Russell Sills, Reeve of Huntingdon Township, thanked the ladies of St. John's Church for the delicious meal.

A delightful sing-song was then conducted by Mr. Graham Mouch, with Mr. Robert Burkett as pianist. Mr. Wayne Martin, Assistant Agricultural Representative for the County, informed the guests of the origination and of the background of the Farm Service Club. It was founded on the amalgamation of the Hastings County Ploughmen's Association, Hastings County Farm Safety Council and the Hastings County Soil and Crop Improvement Association. It was felt that one strong organization with a number of committees within it would be much more effective and helpful to the Hastings County farmers. He

mentioned Mr. Ridley Wallbridge of Wallbridge, Ken Mumby of Stirling, Ross Ketcheson of Moira and Mr. Wilfred Forestell of Madoc, who were very active in the founding of this Club.

Mr. Ken Mumby introduced the guest speaker, Mr. Larry Matheson, Agricultural Representative of Prince Edward County, who was

BOWLING LEAGUE ENJOYS BANQUET

A very enjoyable evening was held in the Madoc Legion Hall last Saturday night when the Thursday night mixed league from the Bel Mar Bowling Lanes at Havelock were served a sumptuous roast beef dinner by the ladies of the Royal Canadian Legion Auxiliary at their annual banquet and awards night.

The top team for the year were the Old Timers, with a total of 104 points. Team Captain was Joe Bosio, with the following members: Shirley Pressick, Don Goodchild,

Isobel Good, David Devolin and Jean Briggs.

Running a very close second were The Canaries, with 103 points. The team consisted of Captain Gordon Holmes, Ruth Holmes, Stan and Jean Asselstine, David and Lamoine Foley. Congratulations to both these hard-working teams.

The award to the low team was presented to the Hell's Angels, with 84 points. The third place team was the Holy Rollers, 98; fourth, Bunies, 90; fifth, Pinheads, 88.

After 27 nights of regular bowling, three night of Roll-Offs were held. The top team for this series were the Holy Rollers, with a total pinfall of 8,725. Team members are: Joe and Pearl Foley, Don Parks, Hilda Anderson, Hilda McGowan and Leo Coveney. Congratulations to these bowlers!

The high scores for the season were as follows:- Ladies: Average, Jac Donaldson, 208; Triple, Lynda (Continued on page eight)

GIVING A SPEECH
BAD AS HEARING IT

By BILL SMILEY

Last week I mentioned making a speech to the Vimy Branch, Canadian Legion, and what a treat it was to be able to get up and talk about the stupidity of senior officers.

Normally, I loathe making speeches almost as much as I detest listening to them.

As a former weekly reporter-editor, a cold, wet, grey blanket comes down over my spirit at the fateful words, "And now, I give you our guest speaker."

That's the signal. Some guest speakers you couldn't "give" to a starving group of cannibals.

I have been "given" dunderheads and dolts, politicians and politicos, pipsqueaks, pedagogues and presidents, farmers and philosophers.

Not once have I been inspired, uplifted or convinced. On a very few occasions I have been mildly amused, although almost never by professional humorists, who always seem so intent on keeping their tongues in their cheeks that you begin to feel that somewhere in the process they have bitten them off.

That's the receiving end. The delivery end is just as bad. It follows a fairly pat format.

You are called up, or written to, by the secretary of some organization which you've never heard of, and told they'd like to have you as guest speaker at some function you have no interest in, at some place you have no idea of how to get to.

This is the moment to say, loud and clear, "Thank you; I am deeply honored, but I can't possibly make it." Any wavering, and you're in trouble.

The professional guest speaker, and there are a few about, chooses that moment to lay down his cards. He says, "Well, I might be able to fit that in on that date, but I'll have to consult my calendar." He consults his calendar, which is blank for weeks. He calls back. "Yes, I could make it. My fee is \$75. Plus expenses."

This produces an agonized pause, if you're on the phone. Then comes a plaintive, "Oh. Yes. Well, uh, as you know, uh we're a nonprofit organization, and we don't have much money, and we thought you'd just come along and give us a little talk. You know, just anything. Uh, how would \$10 expenses be?" And, in a burst of enthusiasm, "And bring your wife along. Her dinner would be free, of course."

This is always what clinches it with me. A last-minute invitation for my wife. And a free dinner for her. Big deal.

Some people love to speak. To anybody. They have one speech, which they've memorized. They have two jokes, invariably inserted with the prefix, "That reminds me of a little story . . ." It didn't, and the story has nothing to do with anything.

But for half an hour, and sometimes, Lord help us, for 45 minutes, these speakers are the cynosure of all eyes, except those which are

closed in slumber. And every ear is attuned to them. Except those with the hearing aids turned off. They bask. It is nectar and ambrosia to them, even though it may be lukewarm coffee and cold porridge to their listeners.

Good luck to them. For me, it's torment. It's like a Saturday night bath, whether you need it or not.

About every two years, I make a speech, whether I need it or not. I'm proving something to myself.

This time it was different. Vimy Branch is the way I like it. They meet only twice a year, for a real smash. They have no club rooms, no flags, no lugubrious mutterings about "At the setting of the sun, we shall remember them." Instead, they have their own band, which smashes out the "tunes of glory" at a volume that is exceeded only by their enthusiasm and skill.

The chaps took the insults well. Their hospitality was gracious, unobstructive and generous: a hotel room, a cheque for expenses, and a crock of my choice. My wife was not thrown in as an afterthought.

Maybe I'll make another speech in a couple of years.

Hunters and Anglers Set Date For Ladies Night

The Madoc District Hunters and Anglers held their regular monthly meeting on Tuesday, April 27th, at the Orange Hall, Madoc. In attendance were, Vice President, Bill Lavery; Treasurer and Secretary, along with 30 members and friends. Quite a few young people were present and the Club extends them a hearty welcome. The minutes of the March meeting were read and adopted on a motion from Dave Foley, seconded by Laverne Carmen.

All business arising from the meeting was dealt with. A report from the treasurer showed the financial standings of the Club. It was made known that the rifle committee had money to turn in along with some memberships which have been collected. A motion was made by B. Derry, seconded by J. Reid, that all outstanding bills be paid to the end of April.

Ladies night was set for May 22nd, the tickets for this event selling at \$3.00 apiece. A beef supper will be catered to by the ladies of the Orange Hall. It was determined that ninety tickets would be made available.

Joe Foley was elected to take charge of ticket selling. Anyone wishing tickets can contact Joe.

The pine seedlings are on the way and should arrive soon. Thanks goes out to Mr. Winterburn and his pupils who have volunteered to help plant them.

A motion from L. Hicks, seconded by D. Foley, that \$100.00 be allotted to M. Quinn to build another trap-house. This will be needed for the Inter-Club shoot which is being held in June. The trap is being loaned to us by Winchester for the day.

Some club members came up with suggestions on where films can be

borrowed for future meetings. Molson's Breweries was mentioned, also the Dept. of Tourism, Queen's Park, and Corbys library, in Belleville.

The meeting adjourned at 9:30, on a motion by M. Quinn Sr., seconded by Curly Taylor.

The Club extends thanks to Bill Biddell of the Dept. of Lands and Forests for two interesting and colourful films, one on the Black Bear and one on the management of the White Tailed Deer.

The Ladies of L.O.L. served a delicious lunch to end an enjoyable evening.

4-H Recipe for Frypan Cookies

The following is the recipe for the cookies which were made on Hastings Cable Vision, Channel 6, Madoc, on Sunday night, demonstrated by these members of the Chapman Chums 4-H Homemaking Club from Tweed:

"Frypan Cookies"

2 eggs
1 c brown sugar
1½ c finely chopped dates
1 tsp vanilla
¼ tsp salt
2 c crisp, ready-to-eat rice cereal

Shredded coconut or chopped nuts

1. Beat eggs well and combine with sugar and dates. In heavy frypan or electric frypan, cook over low heat, stirring constantly, for 8 to 10 minutes or until thickened.
2. Remove from heat and stir in vanilla and salt; add cereal and stir. Cool slightly.
3. Form into small balls and roll in coconut or chopped nuts. Place on waxed paper and allow to cool. Makes about 4 dozen balls.

Looking Back...

50 YEARS AGO
April 28, 1921

Mr. W. J. Hill has purchased the Danford Woolen Mills, which has not been operated for the last few years owing to Mr. Danford's ill health. Mr. Hill has had the machinery completely overhauled and has engaged the services of Mr. Kernohan as manager. He expects to employ eight hands during the busy season.

On Tuesday afternoon the ladies of St. John's Church met at the home of Mrs. A. H. Watson for their regular meeting. After the usual business, an address was read to Mrs. W. H. Thompson by Rev. T. H. H. Hall and Miss Jennie Aylesworth presented her with a silver tea service, to show their appreciation of her services as organist of the church. On Wednesday evening, following their regular practise, the choir of St. John's presented Mrs. Thompson with two pieces of silver. Miss Morna Wallbridge read the address and Miss Marion Hall made the presentation.

The Madoc High School baseball team went to Marmora last Friday to play a return match with the high school there. The game ended a 4-4 tie. Madoc players were: W. Rupert, pitcher; J. Watson, catcher; B. Burnside, 1st base; T. Rupert, 2nd base; N. Cross, 3rd base; G. Moorcroft, short stop; F. Ferguson, R. F.; C. Caskey, C. F.; H. Lovibond, L. F.

The Madoc Lodge of the I.O.O.F. observed their annual church service on Sunday last, by attending the Methodist Church. A good turnout from Oakdale Rebekah Lodge also participated in the service.

Birth — In Madoc Township on April 19th, to Mr. and Mrs. John Laffan, a son.

Marriage — On Thursday, April 21st, 1921, Carrie A. Love, to Mr. William Blakely of Belleville, by the Rev. J. Trumppour, pastor of the Methodist Church, Queensboro, at the home of Mr. Wesley Huffman.

Deaths — In Madoc Township on April 26th, Bernard Joseph, infant son of Mr. and Mrs. John Laffan.

On Sunday afternoon, April 10th, word reached the Jarvis Settlement that Arnold Craig, 54, a former neighbour, had died around noon from influenza. He was ill only a week and at the time of his death, his wife was also very low with the disease. It is very sad that he leaves to mourn his loss, not only his widow but two little girls and an aged mother and father.

Playing at the Empire Theatre, "Down on the Farm," with an all-star cast. Special presentation — all proceeds in aid of the Madoc Baseball Club. Reserved seats, 50 cents; children, 15 cents.

25 YEARS AGO
April 25, 1946

Gnr. Douglas V. Gaebel is expected to reach Canada aboard the "Isle de France", docking at Halifax approximately April 23rd. Gnr. Gaebel is the son of Capt. and Mrs. A. V. Gaebel of Madoc Township.

Pfc. J. W. Fitzgerald of the U.S. Army is returning to his home in Niagara Falls, N.Y., after serving with the Occupation Force in Germany for a year. Pfc. Fitzgerald is a former Madocer and hopes to visit the home town soon to renew acquaintances.

Mr. J. B. Hough, principal of Havelock High School, formerly of Madoc, is seriously ill in Nicol's hospital, Peterborough. Mr. Hough is well known in the Madoc district as he was former principal of the Madoc Public School.

Miss Pauline McMurray entertained a few friends at her home in Queensboro on her eighth birthday.

The Eastern Star Dance held in the Armouries on Easter Monday attracted a large crowd. Music was furnished by the Rhythmers and an enjoyable evening spent by those present.

Since last week's issue 100 more names have been received to which invitations to Madoc's Old Boys Reunion are being mailed.

A meeting was held in the Community Hall on Tuesday night for the purpose of discussing a suitable War Memorial for Madoc Village. At this meeting an offer was received from Mr. and Mrs. Sam Rollins, local citizens, to erect a public library in the Village on the following conditions: that the building would be accepted by the Council on behalf of the Village as a War Memorial and that the Village furnish a suitable location. A special meeting of the Council for the purpose of discussing the matter will be held this week.

Showing at the Empire Theatre: James Craig in "Dangerous Partners" and Shorts and News. Next

Monday, Tuesday and Wednesday, see Rita Hayworth in "Tonight and Every Night", with selected shorts.

15 YEARS AGO
April 26, 1956

Dr. S. R. Beatty, Medical Officer of Health, informed the Review that 720 students in this district had received their first Salk Vaccine Shots. In this group 166 were students of Madoc Public School.

Hastings County Council voted to allow Stirling Village and the Township of Rawdon to withdraw from the Centre Hastings High School Area and to make application for setting up their own high school district.

Delay in pre-engineering at Department of Highways' level, along with delay in completing the right-of-way purchase in the Moira Lake area will rule out any new construction this year on the Madoc-Foxboro county road.

Mrs. Irene Moore, 36, of Madoc, is in Belleville General Hospital with a badly injured leg. At about 7:30 Monday night, on a curve north of Halloway, the northbound car which she was driving went out of control and left the road. The door on the driver's side flew open and the vehicle slammed into a rock fence across the ditch.

A number of friends and neighbours gathered on Friday night at the home of Mr. Thomas Lloyd for a party in honor of Mr. and Mrs. Gordon Lloyd, who have recently taken up residence in Toronto. An address was read by Miss Grace Andrews and they were presented with an electric percolator.

A quiet wedding was solemnized at the United Church parsonage by Rev. J. F. Lane on Saturday, April 7th, when Barbara Jean Baker of Madoc became the bride of Milton Alexander Whiteman of Cooper. Their attendants were Clayton Whiteman and Beverly Whiteman.

Deaths — After a short illness, one of Madoc's oldest and most highly respected citizens, Mrs. Fredrika Jenkins, passed away on April 19th, 1956, at her son's home in Ottawa. She was in her 91st year. She was predeceased by her husband, Mr. W. H. Jenkins, B.A., and is survived by two sons, one granddaughter, five grandsons and two sisters.

Following an illness of about fifteen years duration, Joseph Allair of Queensboro passed away in Belleville General Hospital on Wednesday, April 18th, in his 81st year. Surviving is his wife, the former Frances May Brushie, two sons and one daughter.

Mr. Albert Allan Love, formerly of Hungerford Township, died suddenly at his home at Herbert, Sask., on Friday, April 20th. He was 69. Deceased was a son of Mr. and Mrs. Allan Love. He is survived by his wife, formerly Gertrude Mills, two daughters and one son.

At the family home, Niagara Falls, Ont., on Wednesday, April 4th, 1956, Hazel Wanda Ketcheson Lee, beloved wife of Gordon L. Lee, passed away. Surviving are two daughters and one son. She was a daughter of W. Roy Ketcheson and a sister of Delbert Ketcheson of Niagara Falls, Ont.

BY-LAW NO. 1006

A by-law to raise \$40,000.00 to aid in the construction of tile, stone or timber drains.

The Council of the Township of Huntingdon, pursuant to The Tile Drainage Act, enacts as follows:

1. The Reeve (or Mayor) may from time to time, subject to the provisions of this by-law, borrow on the credit of the corporation of the Municipality such sum not exceeding in the whole \$40,000.00, as may be determined by the Council, and may in manner hereinafter provided, issue debentures of the corporation in such sums as the Council may deem proper for the amount so borrowed, with coupons attached as provided in section 4 of the Act.

2. Subject to section 10 of The Tile Drainage Act, when the Council is of opinion that the application of any person to borrow money for the purpose of constructing a drainage work should be granted in whole or in part, the Council may, by resolution, direct the Reeve (or Mayor) to issue debentures as aforesaid and to borrow a sum not exceeding the amount applied for, and may lend the same to the applicant on the completion of the drainage works.

3. A special annual rate shall be imposed, levied and collected over and above all other rates upon the land in respect of which the money is borrowed, sufficient for the payment of the principal and interest as provided by the Act.

Passed the 19 day of April 1971.

Russell Sills, Reeve

W. J. C. Wright, Clerk

IN MEMORIAM

KEMP — In loving memory of John Charles, who passed away May 11th, 1968.

God took him home, it was His will,
But in our hearts we love him still;
His memory is as dear to-day,
As in the hour he passed away.
We often sit and think of him,
When we are all alone,
For memory is the only friend
That grief can call its own.

Always remembered by sister,
Nell, nieces Donna and Judith, and family.

TOURIST REGION ENJOYS
DINNER and DANCING

The Highlands of Hastings Tourist Region held their Annual Dinner and Election of Officers for the year 1971 at the Skyway Lounge, Deseronto, Ont., on April 21st. Mr. Gordon Bennett, Marmora, was re-elected President and Mr. Don Rodgers, Stirling, Vice President. Directors for the year — Vers McMurray, Gilmour, Ralph Neal, Marmora, Dave Potts, Stirling, Clayton Smith, Madoc, Bruce Hopper, Bancroft, Clyde Bell, Tweed, and Jack Wilson, Trenton, Ont. Directors at large, Heads of Townships, Municipalities, Belleville, Trenton, or their nominee, as well as representatives from Chambers of Commerce in the Region. Mr. George Ellsworth of Trenton is to continue as General Manager, and Mrs. Annie McLuskie, Belleville as Secretary-Treasurer.

Mr. Gordon Bennett, President, introduced the head table guests, expressing the regrets of the Members of Parliament and the Warden that they were unable to attend. Mr. James Sharpe, Mayor of Deseronto, welcomed the Highlands of Hastings Tourist Council to Deseronto.

Mr. George Ellsworth, General Manager reported on the general activities of the Region during the past year: improvement and extension of snowmobile trails; advertising promotion of Winter Carnivals in the Region and in Bancroft; distribution of brochures in Canada, U.S.A. and even overseas, to Great Britain and Europe. He expressed the thanks of this Tourist Council to the Trenton Chamber of Commerce for the use of their office facilities.

Mr. Jack Wilson, Trenton, representing LORD O advised that they were endeavouring to work closely with the Highlands of Hastings, stating that we must work on control of Pollution in the coming year.

The Secretary Treasurer reported increase in Membership in 1970, and that monthly meetings were now being held on the last Thursday of every month. Among many services to the Tourist Operator was the review of the Tent and Trailer Act, the Department of Municipal Affairs being advised that this Tourist Council have submitted a proposal under the Opportunities For Youth Program, requesting assistance to prepare Recreational Trails for horseback riding, motorcycle cross country touring, hiking, etc. thereby providing employment for 28-30 students this year.

President Bennett invited all all members to attend meetings and express their views, urging them to get out and do a little missionary work to bring in new members.

Mr. Don Rodgers, Vice President, introduced the Guest Speaker, Mr. Robert M. Clarke, Deputy-Warden at Warkworth Penitentiary.

Mr. Clarke gave a very interesting and informative talk on the Canadian Penitentiary Service, stating that their objective was to provide a rehabilitation program to reduce the number of repeaters, explaining the types of prisons across Canada as Minimum, Medium and Maximum, and the part that halfway houses were playing in rehabilitation. Although it costs two and a half million a year to operate the Penitentiary Service, it puts a lot of money back into the local economy for associated services, salaries, etc. He described a day in a prisoner's life at the Penitentiary.

KELLERS BRIDGE

Mr. and Mrs. Jerry Phillips and Hope, Roslin, called on Mr. and Mrs. Roy Wood Saturday evening. Mrs. Claude Sarginson and Murray, of Bancroft, visited at the same home Monday afternoon. Murray has just returned home, having completed his first year at McMaster's University.

Mr. and Mrs. George Hurley visited Mrs. Hurley's brother and wife, Mr. and Mrs. Garnet Mayer, Hamilton, who celebrated their 25th wedding anniversary this past weekend.

Miss Eileen Ramsay and Mrs. Donna Ball spent last week with their aunt, Mrs. Roy Wood.

Mr. Eric Sandford is spending some time at home.

from 6:30 in the morning, meals served to them cafeteria style; the dining room at Warkworth and at most prisons having tablecloths on the tables; work assignments, for they are given a small credit for spending money; schooling, full time if they prefer; training in all the Building Trades, as well as Upholstering, Barbering, etc. Each officer has ten prisoners to watch. Evenings, from 6:30 to eleven are spent participating in their very active sports program, watching TV, Reading and Movies. At the end of one's confinement, his marketable skills must be sold to an employer. A follow-up program has been instigated to help him keep a job assisting him with his health problem, alcoholic or drug problem, or mental problem.

The speaker was thanked by Mr. Bruce Hopper.

After Dinner, there was a get-together in the Lounge where a band was provided for dancing.

UNIVERSITY WOMEN DISCUSS
STATUS OF WOMEN REPORT

A panel of University Women, consisting of Mrs. C. N. Wilson, Mrs. M. E. Thompson, Mrs. E. A. Manderville and Mrs. R. S. Burt, presented a brief summary and their interpretation of four of the 10 sections of the report on the Status of Women at this month's meeting of the Canadian Federation of University Women of Belleville and District. This group of women do not necessarily agree with Women's Lib groups who parade and picket to attract attention.

Mrs. Wilson considered the roles of women in society. Though women are generally more expert than men in the care of children some mothers must work part time to help support the family. Thirty-two per cent of the labour force is women and one half of these are married. Women should be given equal pay with men for the same job performance. Many married women want to work part time when there are no very young children.

Mrs. Thompson discussed the day-care centres. Other countries have successfully set up day-care centres

REGULAR MEETING

(Continued from page one)

be brought up to date and be responsible to the chairmen of police and fire departments.

If council feels that the By-law Officer be dismissed, so be it. In that event a new selection should be made for there is value in this position. If he is not dismissed, then he should be censured at least by Council for his ridiculous attitude.

Trusting you will take these recommendations in the spirit in which they were given. I remain, Yours truly,

C. J. Mowat,
President,
Chamber of Commerce,
Madoc, Ontario.

Mr. Clayton Smith was instructed to contact Mr. Ivan Fowler of the Fowler Coach Lines, Bancroft, with regards to the bus stopping on Durham Street.

Mr. Kel Kincaid presented the following brief: "We are entering a period of fierce competition for the consumer's dollar. One need not look too far at the developing of Shopping Centres in our area.

I believe we must keep our attention on changing conditions whatever we did last year, does not necessarily mean it is O.K. this year. I don't like or wish to sound like an alarmist but frankly I am worried of the current trends and the attitude that we as a village are taking.

For instance, our battery of signs, our policing attitude, and the effect they are having on our community.

I am asking for your co-operation and some needed changes, that in my opinion, should be done immediately.

I am submitting at this time a motion requesting that the Department of Transportation, subject to their approval, consider the plan I am placing before you, to be accepted, to help improve the moving of traffic through the Village of Madoc."

Kincaid — Caverly — that the Department of Transport, subject to their approval, consider the plan submitted to the Madoc Council to help improve the moving of traffic through the Village of Madoc.

This plan is to remove the Stop Sign on Durham St. at St. Lawrence for north bound traffic and instigate Stop Signs for East and West traffic on St. Lawrence at the intersection of Durham St.

Smith — Kincaid — motion to the effect — Due to the record of performance of our By-Law officer and the complaints received I would move that our By-Law Officer be notified that his services are no longer required by the Village of Madoc.

Request for a recorded vote: yes, Kel Kincaid, Clayton Smith, Thos. Burnside; no, Bruce White, Mel Caverly.

Mr. Harvey Martin waited on Council requesting a Water Service to his house on Maude St. The engineers will be asked to look at the area and give an opinion.

Smith — Kincaid — that at the request of the Madoc Hydro-Electric Commission, Council agrees to issue Debentures in the amount of \$20,000., on the behalf of the Madoc Hydro-Electric Commission, and the Clerk-Treasurer is hereby authorized to apply to the Ontario Municipal Board for approval.

All other resolutions in this regard are hereby rescinded. carried. White — Caverly — that we advertise for tenders for oiling the streets.

Caverly — Smith — that all accounts signed by the respective chairman be paid and those paid during the month be confirmed.

Accounts: Hagerman's Sports and Cycle, \$1,965.; Shell Canada Ltd., \$135.38; Pigden Motor Sales, \$7.77; Don's Gulf Service, \$10.56; Armstrong's Garage, \$82.64; Caribonum Canada, \$17.55; Municipal World, \$15.22; Belleville Fire Dept., \$11.81; North Hastings Review, \$4.94; Brian Danford, \$16.00; Armstrong Bros., \$8.80; Murray Smith, \$36.00; Hastings and Prince Edward Counties, \$15.00; Goodberry Well Drilling, \$6,153.00; Connor Hardware, \$152; C.N.R., \$23.65; Murray Smith, \$68.00; Ed Hill, \$110.66.

Council went into Committee of the whole on By-Laws with the Reeve in the chair.

Kincaid — White — that By-Law No. 931, being a Supplementary By-Law to provide for an additional expenditure on the streets, for the year 1971 receive its several readings and it is now passed. carried.

A proposed By-Law to regulate and license the holding of public entertainments, festivals and parades, within the Village of Madoc was laid over to a later date.

Council resumed as before and adjourned to the call of the Reeve.

Olive G. Ashe,

Clerk-Treasurer.

(Intended for Last Week)

Mr. and Mrs. Boyd Walker and family visited relatives in Toronto on the weekend.

Mr. and Mrs. Murray Reid and family visited Thursday and Friday with Mr. and Mrs. Herb Helm, Picton, and also Mr. and Mrs. Floyd Reid, Wellington.

Mr. and Mrs. Ross Sprackett visited Mr. and Mrs. Jack Sleeper on Saturday evening and spent the supper hour with them.

Mr. and Mrs. Murray Reid, Mrs. Howard Cooke and Mrs. Reg. Dafee had dinner at the Oasis Restaurant, Bancroft on Wednesday. The occasion being Rita's birthday.

Mr. and Mrs. Don Walker, Bowmanville spent the weekend with Mr. and Mrs. Fred Hatchard, Gunter.

Mr. and Mrs. Gerry Phillips and Hope spent the weekend with Mr. and Mrs. Jas. Derry and Mr. and Mrs. Ross Sprackett visited with

them on Sunday evening.

Mr. and Mrs. Ed Chisholm had Sunday dinner with Mr. and Mrs. Fred Hatchard.

Mr. Les Preston, Harold, had Sunday supper with Mr. and Mrs. Howard Cooke.

Mr. and Mrs. Don Carrol, St. Oia, had supper on Saturday with Mr. and Mrs. Murray Reid.

Miss Lynne Gruntz spent the weekend with Mr. and Mrs. Murray Reid and family.

Mrs. Leo Campbell, Mrs. Cecil Gruntz, Mrs. C. McKenzie and Mrs. Jas. Sprackett went to Bancroft on Friday to the Manor to help with the April Birthday party. Granny Dodds was 106 on the 23rd.

Mr. and Mrs. Lee Dafee had supper on Saturday with Mr. and Mrs. Ken Dafee and family.

Miss Kristen King, Belleville spent a few days with her grandparents, Mr. and Mrs. C. McKenzie. Mrs. King and Jamie spent the supper hour on Saturday with her parents.

Mr. and Mrs. Brian Plumbe, Bell-

ville, spent the weekend with Mr. and Mrs. Don Sprackett.

Visitors last week with Mr. and Mrs. Clayton Smith were Mr. Harold Palmateer who visited on Monday evening; Mr. and Mrs. Leonard Smith had dinner on Wednesday and Mrs. Vera Greer, Trenton, spent the supper hour on Thursday.

Still the odd mound of snow is about in sheltered places and even more in the bush. Wonder how many years it has been since we had some snow up until the approaching month of May. A number of years ago, most of us will remember the three inches snow fall that greeted our eyes on the morning of May 26th. It sure didn't last, but come, it certainly did.

The North Hastings' Plate Pushers held their weekly meeting at Aileen Sprackett's on Monday. Sixteen members were weighed in and one left early for a few days' trip to Trenton. Ethel Palmateer, one of our reporters, has gone (on a family matter) all the way to Spokane, Washington. Don't get lost Ethel!

The four pigs of last week and the small surely showed a good weight loss. We don't want the pig or small badge again do we? Pounds lost for the week were 44! However, three others wore the pig badges and showed a total gain of 6 pounds, putting a total of 60 cents into the piggy bank. This makes the net weight loss of 38 pounds - that sounds some better, doesn't it? Look at the missing fat lady! Now, our total weight loss since March 22nd is 214½ pounds. We don't want her back either. Queen for the week with a 6 pound loss was Pearl Dafee, of Coe Hill. This is also her second time of being Queen. No one was more surprised than Alice Palmateer when the Weight Recorders tallied up net losses for the month of April and it was found that she had lost a total of 11 pounds. We crowned her Queen of the month, using a rhinestone tiara. Her picture will be sent to the News Leaf, national paper of the month for the Coast to Coast Calorie Counters. We're proud of you Alice! Thelma came a close second with a 10 pound loss for the month. The over-all winner since the beginning is Vivian Baumhour, having lost 23 pounds. Congratulations to all these winners, and to everyone who is steadily losing those unnecessary pounds! Don't you want to join us and surprise your relatives and friends with a new you? Gilmour is the place, 8:00 is the time, and Mrs. Jim Sprackett's is the place we meet. Want any information? Call 474-2928.

Mr. and Mrs. Leo Campbell went to a birthday party supper on Sunday (Leo's birthday) at Larry and Colleen's.

Mr. and Mrs. Dave Freymond (nee Judy Phillips) spent the weekend at her parents, Mr. and Mrs. Gilbert Phillips.

Saturday afternoon saw Mr. and Mrs. Gerald Phillips (nee Bev Derry) motoring back from Roslin

to her parents. After Church time on Sunday, they visited the Goldie Phillips, who enjoyed wee Hope and showed surprise at her steady gain. Over 9 pounds now. Some change.

Mr. Gray says that the skating rink at Gilmour Public School is being dismantled and stored for another season. A soccer field will emerge and the children will be busy with that favourite sport.

BANNOCKBURN

During the week of April 16th to April 23rd, 1971, officers of Madoc Detachment, Ontario Provincial Police investigated four motor vehicle accidents; all of property damage nature.

There were 29 charges laid under the Criminal Code of Canada, Highway Traffic Act, and Liquor Control Act. There were 27 traffic warnings issued.

There were 11 requests for assistance with 44 other general occurrences.

Twenty-five hours were spent in Criminal Court, with Judge R. C. Jackson registering 20 convictions.

The Ontario Safety League reminds you that now's the time to get your bike in good operating condition.

Ask your Dad or bicycle serviceman to help check for: worn or loose handle grips, loose or missing spokes, weak links in the chain, low air pressure in the tires.

Use a good quality oil or grease to lubricate the chain and bearings. Your bike will be safer and more fun if it's roadworthy.

Eldorado and Bannockburn W. I. Elects Officers

The annual meeting of the Eldorado and Bannockburn Women's Institute was held at the Madoc Township Hall on Wednesday, April 21.

The President, Mrs. Floyd Blackburn, opened the meeting with welcoming all members and visitors. The Institute Ode was sung, followed by the Mary Stewart Collect.

The minutes of the last meeting were read and approved. The Treasurers Report was given, followed by the Auditor's report. It was decided to canvass for the Cancer Fund this year.

Mrs. Frank Palmer and Mrs. Harold Chambers were elected as delegates to the District Annual, with Mrs. Ken Bateman and Mrs. Clifford Gunter as alternates.

The roll call, paying your fee, was then given. Mrs. Frank Palmer presented the report of the Nominating Committee as follows: Past President, Mrs. Floyd Blackburn; President, Mrs. Cyril Shaw; 1st Vice President, Mrs. Harley Blackburn; 2nd Vice President, Mrs. Frank Palmer; Secretary-Treasurer, Mrs. Harold Chambers; Assistant-Treasurer, Mrs. Frank Palmer; District Director, Mrs. Clayton Blackburn; Alternate District Director, Mrs. Harold Chambers; Branch Directors, Mrs. Allan Franks, Mrs. Ivan Sine and Mrs. Cecil Boyle; Curator, Mrs. Ken Bateman; Public Relations, Mrs. Harold Chambers; Auditors, Mrs. Frank Palmer and Mrs. Cecil Boyle; Pianist, Mrs. Allan Franks; Sick Committee, Mrs. Wm. Irwin. Mrs.

C. D. McCann, Mrs. Beryl Carman and Mrs. Frank Palmer; Resolutions, Mrs. Cecil Blackburn; Standing Committee Convenors, Agriculture and Canadian Industries, Mrs. Clayton Blackburn and Mrs. Cecil Boyle; Historical Research, Current Events, Mrs. Kenneth Bateman; Home Economics and Health, Mrs. Floyd Blackburn and Mrs. Harley Blackburn; Citizenship and Education, Mrs. Wayne Blackburn and Mrs. Leonard Blackburn; Girls' Work, Mrs. Donald Wannamaker.

The election of officers was conducted by Mrs. Stanley Franks.

Mrs. Stanley Franks was in charge of the programme. For her motto she chose, "For Home and Country". She also had a paper, "How Responsibly do you Express Yourself and How Responsibly do You Listen?" She went on to say, "We must be well-informed to know what we are talking about, concerning resolutions; when there is the most fighting going on, the more work is being done."

Mrs. Harley Blackburn read poems, entitled, "Complaint" and "Spring Cleaning and House Cleaning".

Mrs. Ken Bateman gave her report in the short course, on parliamentary procedure.

A dainty lunch was served by the hostess and her assistants and a social half hour enjoyed.

URBAN NIGHT

(Continued from page one)

raised on a mixed farm near Woodstock and who graduated from O.A.C. in an Agricultural Economics Option in 1965. He had served as Assistant Representative for Essex County for 5½ years previous to appointment in P. E. County. Mr. Matheson complimented the farmers of Hastings County for having a Farm Service Club, saying that this was the first such club he had ever come in contact with. He further stated that they had shown great foresight in forming this organization. He gave a very interesting talk accompanying it with slides, informing those present of the great contrast in the methods of farming in the Counties of Hastings and Prince Edward to that of Essex County.

He mentioned that this area is mainly involved in dairy farming, whereas Essex County has only 240 dairy farmers out of 3,000 commercial farmers listed. He noted also that the milk from our counties is industrial, whereas everything is fluid milk in Essex. Here, hay is the most important crop, whereas in the county where he worked formerly, the farmers fields are filled with soy beans and corn. Many elevators have been built to store their corn. The land in Essex is mostly clay loam, compared to our sandy soil. He mentioned that our land is favoured with rolling hills and valleys, but the fields in Essex are very flat, which creates quite a drainage problem. He said that the average size of a farm there is about 80 acres. There is a great deal of farm renting and share cropping. Canning crops are also very popular in Essex County. From 8 - 9,000 acres of tomatoes are grown within the county. Recently radish growing has become a popular crop. In one field, one might see 400 acres of the crop growing in the marsh land soil. Mr. Matheson mentioned that it takes only 21 days from planting to harvesting time, so a radish farmer is able to grow four or five crops in one summer, weather permitting. The problem of harvesting radishes has been solved by a marvellous machine, which is capable of pulling out 15 tons of radishes in one load. This machine costs \$75,000.

Following this very interesting talk and pictures, Mr. George Sutherland of Stirling thanked Mr. Matheson for his informative speech and presented him with a gift from the Farm Service Club.

The Activities of the Farm Service Club are as follows:- A letter is sent out each month from the office of the Dept. of Agriculture and Food, known as Hasti-Agri-Gram

to a large number of the farmers in the County, advising them of coming events, seasonable information about crops and livestock and general items of interest.

In 1970 a bus trip was arranged to Victoria and North Simcoe Counties, visiting the A.R.D.A. pasture farm and a number of pasture and crop projects, including the seeding of treefoil on rough land.

A second tour with two buses sponsored jointly with the Beef Producers Association of Hastings and Prince Edward Counties, visited the Toronto Stock yards, where they were guests of the United Co-operative of Ontario and two Cow-calf beef farms in Ontario County. Members of 4-H beef Clubs were taken on this bus tour, to give them an idea of Management in selling of beef cattle.

A bus trip to the Ontario Soil and Crop Improvement Association was also sponsored in January.

The County ploughmen's Association, which is part of the Farm Service Club, held their annual ploughing match in the Stirling area in September. There were about ten classes and the twenty competitors, who received valuable prizes in cash and merchandise. It will be held again this year.

The farm safety council have tried in the past and will continue to do everything possible to make people safety conscious and to avoid conditions which tend to cause accidents.

A new project will be tried in the County this year: the growing of white beans. The southern party of the county is the right heat zone for beans and the soil is excellent. Due to the closing of canning factories, a new crop is needed for cash crop growers in the county. Two plots of ten acres each will be planted on a trial basis this year.

The Pancake Hill pasture farm in the Moira area is another project of considerable interest. A one-hundred acre farm of light sandy soil owned by A.R.D.A. has been managed by the pasture committee of the Farm Service Club for the last three years. During that time a water supply has been established, fences have been built and fields have been fertilized and re-seeded. Cattle taken in for pasture have been weighed, in the spring on arrival and again in the fall, when taken off. Some gained as much as two hundred and sixty-five pounds during the season. The farm is open for pasturing for thirty-five yearling cattle this year, and anyone interested in obtaining pasture can get information from the office of the Department of Agriculture and Food in Stirling.

ENJOYS BANQUET

Matchett, 719; Single, Betty Stevens, 294. Men's: Average, Joe Bossio, 213; Triple, Gord Donaldson, 900; Single, Stan Asselstine, 385.

High Scores in the roll-offs were as follows:- Ladies: Triple, Shirley Pressick, 688; Single, Eileen Declair, 903; Men's: Triple, Don Parks, 672; Single, Leland Richardson, 255.

Special award presentations were made as follows: Hilda Anderson, the one to make the most noise at the bowling alley; Leo Coveney, the First of the Worst; Leland Richardson, President of the Year Award and Trophy.

Mrs. Hilda McGowan, who acted as m.c. for the evening, read a card of thanks from Mrs. Lavina Farrow, the handicapped bowler, who was unable to be present, and who received a bouquet of flowers from the league.

Mrs. McGowan also made a presentation of a bouquet of flowers to Mr. Jack Donaldson, owner and operator of Bel-Mar Lanes, for his wife, who was unable to come to the banquet due to commitments back at the alley, where one league was finishing up the year.

Mr. Donaldson capably replied, expressing the thanks of his wife and also his own personal thanks to the League for their support and invited everyone back another year to try their luck at bowling.

After all team trophies were handed out, then each bowler who did not receive an award, numbering only eleven of the entire league, received a small token. The ladies each were given a bowlers brooch and the men received a key chain with a bowling pin and ball on it.

A series of draws were held throughout the evening and almost everyone present received some token. Many thanks to the generous merchants of Madoc and all others for their kind donation of these prizes. Following is a list of the winners and the store prize they received:- Pearl Foley, Ray's Sport Shop; Troy Corrigan, Stickwood's

Dry Goods; Jack Donaldson (Bel Mar), Kramp's Supertest; Joe Bossio, Beamish Store; Leland Richardson, Village Hair Fashions, (Gladys Demille); Gord Donaldson, Ross Ladies Wear; Isobel Goodchild, Pigden's Motor Sales; Jean Briggs, Madoc Cash and Carry; David Paraniuk, Johnston's Pharmacy; Lynda Matchett, Mary Jane's Snack Bar; Jean Asselstine, Bert Austin Jewellers; Glen Briggs, Vick's Company; Bill Rodgers, O'Riordan's Grocery; Jean Rodgers, Leo Coveney; Betty Lou Corrigan, a friend; Lucy Bossio, North Hastings Review; Lamoine Foley, Bert Austin Jewellers; Shirley Pressick, Devolin's Grocery; Betty Stevens, Madoc Pro Hardware; Eileen Declair, Pigden's Radio and T.V.; Pin Boy, Toronto Dominion Bank; Gordon Holmes, a friend, Don Donaldson, Bert Austin Jewellers; Edna Richardson, Brenda's Beauty Boutique; Hilda Anderson, Kincaid's I.G.A.; Ruth Holmes, a friend.

Special gifts of appreciation were presented as follows:- Statistician, Jac Donaldson; Hilda Anderson, by Leo Coveney as the No. 1 gal at the Alley; Hilda McGowan, Treasurer; and then President, Leland Richardson expressed the feelings of every member on the League when he thanked Jack Donaldson of Bel-Mar for the many enjoyable evenings spent throughout the year at his lanes. Mrs. Hilda McGowan ably expressed appreciation to the Ladies Auxiliary for the lovely meal and Mrs. Agnes Bradley gave a suitable reply.

Last year's executive was unanimously re-elected for another year, as follows:- President, Leland Richardson; Treasurer, Hilda McGowan; Statistician, Mrs. Jac Donaldson; other members, Pearl Foley, Jean Rodgers; and Leo Coveney. Thursday night will be the regular night, same as last year.

Please notify any of the executive on or before September 1st, 1971 if you wish to join this League.

MADOC BAPTIST CHURCH MISSION CIRCLE

The April Meeting of the Women's Mission Circle met at the home of Mrs. Jas. Forbes on Monday, April 26th at 8:00 p.m.

Mrs. George Moorcroft presided in the absence of Mrs. Vaughan. The hymn, "In times like these

you need a Savior" was sung and Mrs. Moorcroft led in prayer.

The minutes of the last meeting were read and approved.

Roll call was answered by repeating a verse of Scripture referring to time. There were 8 members and

1 visitor present.

Mrs. Moorcroft read a poem on the meaning of Easter.

Mrs. George Wood, program convener conducted the rest of the meeting. The theme was time.

The hymn, "Oh God Our Help In Ages Past", was sung and special attention was paid to the last verse which means, our calendar measures time but eternal life has no ending. We can't understand the nature of time but we can understand the significance. The Bible deals with eternal time. The present time is in God's hand and ours. It is our duty to redeem the time.

Ecclesiastes 3-1-8 was read by Mrs. Rauws, which shows that King Solomon was a very wise man and also a very rich one and yet he said: All is vanity in this life. He realized that God is the judge of all men and that men should fear God.

Psalms 56 was read. We see many evil things taking place in our day and not many seeking salvation and we were asked if we were redeeming the time. Jesus wept over Jerusalem. They knew Him not and rejected Him.

I Peter 4-8 and Ephesians 5:15-16 were read, which says we should heed Paul's advice to the Ephesian Christians.

Colossians 4-5 tells us to walk in wisdom.

II Timothy 4-8 was read.

Mrs. Wood read an article entitled, "He died alone".

Mrs. Rauws, Mrs. Demille and Mrs. Wood sang, "Take time to be Holy".

Mrs. Wood read an evening questionnaire by John Fletcher which reminded us of our responsibility to make the most of each day for good.

Mrs. Rauws read a letter from Mr. and Mrs. Rye, missionaries in Bolivia.

Three members led in prayer.

The hymn, "When The Roll is Called Up Yonder", was sung and Mrs. Demille closed with prayer.

A social time followed.

CLARENCE BIRD SPEAKER AT FEDERATION OF AGRICULTURE

The April meeting of the Hastings County Federation of Agriculture was held in the Council Chambers, Stirling, on Tuesday, April 27th, with President, Donald Sills, in the chair.

The minutes of the last meeting were read and adopted and the financial report was given.

Donald Sills and Alex McCurdy reported results of visiting four Twp. Councils in the past month re: levy system.

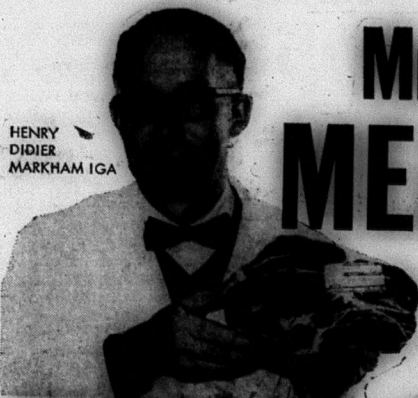

It was decided to ask Mr. Les Armstrong, O.F.A. Director of Project Planning for L.S.M. members to speak on "Inputs", at a future meeting.

The Insurance Committee will plan a family picnic for a date in July or August.

Mr. Clarence Bird, head of the farm division at the regional assessment office in Trenton was guest speaker. He explained the point system and how it is used to assess the value of farm buildings and property. He also told how a soil zone system, using corn as a medium, is used to evaluate land in different areas. His talk was very informative and a good discussion period followed.

Mr. Bird was thanked by Ken Mumby.

Festival Refused Extension

Madoc Township Council last Wednesday night at their regular monthly meeting refused a request of Leon and James Quinlan Jr. for a seven-day extension of the deadline to meet provisions of a by-law.

The by-law calls for a licence fee of \$500.00 and posting of a \$200,000 insurance bond for public liability and property damage, an advance payment of an amount estimated by the O.P.P. as necessary to cover cost of extra policing; deposit with the township clerk of written assurance from the medical officer of health that public health provisions are adequate; posting with the township clerk of a sum estimated in advance as adequate to cover the cost of cleanup of public sites and buildings.

It requires promoters to meet the provisions of the by-law 60 days before the event and imposes a maximum fine of \$300.00 for failure to comply.

The Quinlan brothers asked for the extension in an effort to comply with the by-law. They were refused unanimously by Council.

However the LEJ Enterprises do not intend to let their festival planned for July 3, 4 and 5th fall through. They told the Council at the meeting that 11,000 tickets have already been sold.

Will there be a Rock Acres Peace Festival in Madoc Township this summer?

Because the Quinlans have no telephone, they could not be reached for comment on the decision, and Reeve Cecil Woods preferred not to discuss the matter at press time.

Letter to the Citizens Of Madoc

At this time I expect most of you know of my resignation from Madoc Council and I felt it would be only fair to you to express my view and reason for doing so.

I sat as a member of Council for a little over four years and during that time I endeavoured to act for the best of your interest at all times. However, due to certain decisions which have been made in Council recently and which I could not support, I had no other alternative but to resign.

This was not done without giving it a lot of thought and careful consideration, and in my opinion, a divided Council cannot act for the best interest of the Village.

I want to take this opportunity to thank all the people who helped and supported me during my term in office.

Yours very truly,
Mel Caverly.

GRANT RICHARDSON TO BE ORDAINED

Mr. Grant Richardson, Theological College for the past three years, received his Testimony and Chalice at the Queen's Theological College Convocation held at Queen's Theological College Convocation held at Chalmers United Church, Kingston, on Wednesday, May 5th, at 8:00 p.m. Friends were invited to share in the service and the fellowship hour following the Convocation.

Ordination into the ministry of the United Church of Canada is to take place in George Street United Church, Peterborough, on Wednesday, May 19th, at 8:00 p.m.

Following graduation from Stirling High School in 1950, Mr. Richardson farmed with his father, Volney Richardson, at R.R. 2, Stirling. In 1967, he was received as a candidate for the Ministry of the United Church of Canada and began university studies at Queen's University, Kingston, in the fall of 1967, entering Queen's Theological College in 1968. He is married, and his wife is the former Marlene Moorcroft, daughter of Mr. and Mrs. George Moorcroft of Madoc. Mrs. Richardson is employed at the Ontario Department of Agriculture and Food in Stirling. Their three children, David, Allan and Mary, attend Stirling Public School.

New Councillor and Road Superintendent For Twp.

The Madoc Township Council held their regular monthly meeting on Wednesday, May 5th, 1971, at 7:30 p.m. All members were present.

Mr. Donald Wannamaker was introduced to Council as a new member of Council, replacing Mr. Donald Miller, who has resigned. Mr. Wannamaker signed the Declaration of Office and took his seat.

The minutes of the former and special meetings were read and adopted.

Representatives of LEJ Enterprises waited on Council requesting that a week's extension be granted by Council in regard to By-law 514. After a discussion with the representatives of LEJ Enterprises, it was pointed out by Council that it would be breaking the requirements of By-law No. 514 and therefore no extension could be granted.

MAILING LISTS CORRECTED

The mailing lists of the Review have been brought up to date as of Friday, May 7th, 1971, and subscribers are requested to read the yellow label on their paper to see if the date of expiry is correct. Should the label be in error, notify this office at once and it will be rectified.

If the label reads prior to May, 1971, your subscription has expired and we would appreciate hearing from you.

Postal regulations make it impossible for us to mail papers which are very far in arrears. For this reason, we were forced to cancel a few papers this week.

OMISSION

In the report of the Bowling Banquet in last week's issue, we regret we omitted to include the donation of a corsage from the Town and Country Green House.

Students Experience Practical Office Work

During the past week, 29 senior Business and Secretarial students of Centre Hastings Secondary School have been out of school participating in the annual Work Experience Program. This is an arrangement whereby the graduating business students have an opportunity to spend a week in an office or retail business, gaining invaluable experience.

Placement of the students is set up by the Commercial Department of the school, but the students are responsible for arranging their own transportation and accommodation. The program has been very successful over the years, generally resulting in offers of permanent employment for several of the students. The program could not be undertaken without the co-operation of local and area businesses.

Mrs. Jean O'Riordan, Commercial Director at Centre Hastings, and Wally Moffat, Assistant Commercial Head in charge of the program, are most appreciative of the assistance of the many business organizations involved in the program.

Students and businesses participating were as follows:- Marilyn Allure, Rayburn Insurance, Tweed; Debra Bappte, Board of Education, Belleville; Don Barnett, Barnett's Clothing, Tweed; Mary Bateman, General Time of Canada, Peterborough; Susan Brintnell, Bell Telephone, Belleville; Elaine Bronson, Board of Education, Belleville; Linda Busby, Centre Hastings Commercial Office; Monica Callery, Hastings and Prince Edward Health Unit, Belleville; Barbara Demarsh, Deloro's Stellite, Belleville; Joanne

LETTER to the EDITOR

Dear Editor:

Re: Parking Restrictions

Much has been said by a few businessmen and the Chamber of Commerce about parking restrictions. It is hard to believe that all members of the Chamber of Commerce agree with the hazardous parking practices and dismissal of our by-law officer.

Mr. and Mrs. C. T. Rollins Entertain At Dinner Here

Mr. and Mrs. C. T. Rollins were hosts of a delicious roast beef dinner at the Kiwanis Centre for local municipal chairmen of the Progressive Conservative Riding of Hastings, their spouses and other dignitaries.

Mr. Allan Bronson of Bancroft said grace, while Warden Kenneth Smith was master of ceremonies.

All the various representatives stood up after dinner and introduced themselves. Reeve Tom Burnside said a few words of welcome to Mr. and Mrs. Rollins and all present.

There was no guest speaker, to allow plenty of time for everyone present to ask questions and to discuss various items of interest to the people in the riding.

Mr. Rollins said he brought greetings from the Prime Minister of Ontario, Mr. Davis, and then presented Mr. Burnside with a cheque for \$2,783.00, as a grant on the capital works expenditure for 1970. This is the government's 25 per cent share in the expenditures of the Community Centre Board in repairs and renovations made to the local arena and ball park.

Mr. Rollins said he was very pleased to receive so much correspondence from those present not to hesitate to send a letter if any problem arises.

Mr. Rollins announced that through his efforts fishing licences have been discontinued.

Mr. Kelvin Kincaid of Madoc said he is very proud of the riding which Mr. Rollins represents. He brought up the question of Moira Lake and all the adverse publicity which this area has received over the arsenic in the Lake. He asked for Mr. Rollins' guidance and assistance. He enquired as to whether we could still enjoy fishing and swimming in the Lake and if we could still encourage the tourists to flock to our area.

Mr. Rollins replied that he had heard nothing about the situation until he read about the trip made to the Deloro Mine site by a delegation of concerned citizens as written up in the paper. He assured those present that had he been invited to join the group that day, he would certainly have endeavoured to be there.

Mr. Kincaid reminded Mr. Rollins that as goes Moira Lake, so goes Madoc, and he said that he is very concerned over the problem. He also reminded Mr. Rollins that we need all the help we can get, and we need it NOW. Thinking of the various vacation spots on the lake, Mr. Kincaid asked if we could put up signs saying, 'Come on back. We need you', and encourage fishing and swimming in the water.

Mr. Rollins said that Huntingdon Township must be involved in the investigation of the arsenic content of the Moira, as this was also in their territory.

Mr. John Davidson of Marmora and Lake Townships stated that 14 years ago this July, he and a group of farmers had been involved in an investigation into the arsenic present in the river. Samples were taken in various places and it was found that there was a wide variation of the arsenic content when the water was low. At that time, the water taken from same spots was quite deadly. He said that now,

however, he personally has fished in the river, eaten the fish, swam in the water, and has suffered no ill effects.

Mr. Rollins said that after seeing the article in the paper, he decided to bring the matter up in the House. He referred to a memorandum dated April 23rd, 1971, from D. S. Caverly, General Manager, O.W.R.C. to The Honourable George A. Kerr, Minister of Energy and Resources Management, as follows:-

"The Deloro Site is inspected by Commission staff approximately once per week, the most recent inspection being made on April 20th, 1971. The high spring run-off resulting from the abnormal snow accumulation during the past winter, has caused some hydraulic overloading of the waste treatment facilities. As a result, the efficiency of arsenic removal has been lowered to seventy per cent from the normal efficiency of better than 99 per cent and the Company has been requested to direct uncontaminated runoff around the waste treatment facilities to overcome this hydraulic overloading problem. Construction of the diversion is to start as soon as the site is dry enough to support heavy equipment.

It should be noted that the concentration of arsenic in the receiving watercourse is at its lowest level during the spring, even though the efficiency of treatment is reduced. The most recent results indicate an arsenic concentration of less than 0.01 ppm in Moira Lake. Very high river flows in the spring more than compensate for the reduced efficiency of treatment.

Although the dam at the red mud tailings area on the east side of the river was repaired in August, 1970, two further leaks have developed in it. However, these leaks are small and, when inspected on April 20th, only clear water was found to be escaping while the tailings were being retained behind the dam. The Company will be requested to carry out further repair work this summer.

As outlined in my memorandum to you of February 10th, 1971, the Commission retained the firm of Jas. F. MacLaren Limited, Consulting Engineers, in December, 1970, to carry out a round water survey of the Deloro site. Due to the heavy snow cover at Deloro, the survey has been delayed, but is expected to be completed by May 15th, 1971.

The purpose of the ground water survey is to assess the effectiveness of the control works, which have been installed by the company, to define any remaining problems and to outline the further measures which may be required to complete any further control works found to be necessary before the critical low river flow period in late summer.

The average concentration in Moira Lake in 1970 was 0.09 ppm, as compared to 0.13 ppm in 1969. With the control works completed by the Company in November, 1970, and the further measures to be carried out this spring if required, it is hoped that the average arsenic concentration in Moira Lake can be maintained within the drinking water quality objective for continuous use of 0.05 ppm during 1971.

During the inspection of the site on April 20th, Messrs. J. W. Vogt

RIGHTS OF SPRING

By Bill Smiley

It's only when you're dying that
you truly appreciate living. And I'm
dying right now.Don't scoff. I mean it. You'll be
sorry next week when this column
appears as a blank, white space
with a heavy black border around
it.I don't want any eulogies in that
white space. At least, nothing fancy.
Nothing like:"Here lies a noble soul
Taken from this earth
Before his time;
His words were nothing
But his soul sublime."No, I don't really want that sort
of thing. Although it was my first
suggestion as I lay, gasping for
breath, trying to choke down the
rye and hot water and honey and
lemon juice that somebody had sug-
gested to my wife might save me.We compromised, after some dis-
cussion concerning how much a let-
ter the tombstone man charges.
And I will say this for my wife. She
wiped my forehead and brought me
cups of tea while she sorted through
my insurance policies.

We settled on:

"After all
Bill knew
He'd die;
So do you."It wasn't quite what I had in
mind, but I don't quibble about
these things, and I did like the last
line. Also, we saved \$367.80 on the
lettering. That's almost enough to
buy an automatic dishwasher. Let's
put first things first.There's been a lot written about
the rights of spring: poetry, music
and stuff like that. To be dying of
the 'flu is one of the rights of spring
in Canada. It's one of the few in-
alienable rights we have left.Oh, there are other rights of spring
in this country, but they're be-
coming polluted, like everything
else.There's the right to go trout
fishing on Opening Day. This wasonce an indefinable and inexplicable
delight. Nowadays, it's about as
thrilling as climbing onto a subway
train at rush hour.There's the right to go out and
shovel and sweep back onto the
road all the sand the snowblower
has thrown up on your lawn during
the winter. This has a tendency to
pall after the first five or six years.There's the right to cheat on your
income tax. This used to be day
rigger, as we used to say, but so
many people are doing it now that
it's passay, as we say now.There are all sorts of other spring
rights, like giving birth to twin
lambs, going for a swim as soon as
the ice goes out, or discovering that
your kid has quit university a week
before final exams.But we're not all cut out for these
things. They're sort of spotty. The
only spring right that has not been
interfered with by government, big
business, labour unions or the wo-
men's lib is the ordinary Canadian's
spring right of dying from the 'flu.I think it's probably the last spring
right we'll have in perpetuity.
And I think it's fitting that we
should.Practically anybody can die of
practically anything these days, ac-
cording to the experts. And they're
probably right, though I have yet to
know an expert to be right about
anything.But to die of the 'flu every spring
is something that's fairly precious
to us Canadians, and I hope the ad-
vertising agencies don't catch on
to it, or they'll spoil the whole dol-
lar business.Can't you see the ads? "COME
TO CANADA FOR A NEW
THRILL! INSTANT INFLUEN-
ZA!" Probably sponsored by "drink
Canada dry" and "relax with Cana-
dian club." The Yanks would flock
in.Don't let them. Let's keep some-
thing for our mess of pottage. I'm
dying of the 'flu, and I don't want
a bunch of tourists horning in.Yes, you can buy
happiness.A singsong in a children's home. Kids from
broken homes learning the joy of making music.
With a guitar... and gentle help... and happiness.
Yes, you can buy
happiness. For others.
Now. Today.

IN MEMORIAM

JOHNSON — In loving memory of my dear wife and mother, Vivian Johnson, who passed away two years ago on May 8th.

There is a sad, a sweet remembrance.

There is a memory fond and true.

There is a token of affection, Mother.

And a heartache still for you.

Lovingly remembered by husband, Melvin, and all the family.

ENTERTAIN AT DINNER

(Continued from page 1)

and H. L. Bell of our Division of Industrial Wastes met with a delegation of local residents. The meeting appeared to have been organized by Mr. Clayton Smith, owner of the Shoreline Motel on Moira Lake, possibly with the assistance of Mr. W. Armstrong of the Moira River Conservation Authority. In attendance were council members of various municipalities within the Moira River watershed, representatives of fish and game clubs, the director of the Madoc Chamber of Commerce, concerned citizens and reporters from local newspapers. In all, approximately 20 people were present.

Mr. Smith stated that the works installed by the Company last fall were not adequate as arsenic was still reaching the river. It was his opinion that the Company is not planning to do anything further.

During the tour of the site, the Commission staff described the existing facilities for collection and treatment of arsenic contaminated ground water as well as the ground water survey being carried out by James F. MacLaren Limited. The delegates were informed that should the ground water survey show that further control measures are required, the Company will be requested to undertake them immediately.

By the end of the meeting, most of the representatives appeared satisfied that adequate action is being taken to correct the arsenic contamination problem. Mr. Smith being a possible exception. Many expressed their agreement with what is being done.

Mr. Caverly asked for permission (and was granted it) to have any representative committee take some samples and go up to the lab, as a witness and watch the tests being made. A committee of ten people was set up, including Warden Smith, Reeve Burnside, Reeve Russell Sills, Rev. Zuffelt, Mr. Bill Armstrong, Mr. Kel Kincaid and Clayton Smith, to have the samples taken of the water and some picked from the lake and to make arrangements for the lab tests. This delegation will go to Toronto and

observe all the tests made on the water and the fish.

There had been previous doubts about the reports being sent back, due to publicity, but it was pointed out that anybody who wishes to see the lab work may make arrangements for it. He said the samples could be taken from any place in the watershed, out of the lake, or above the lake, where the water is being fed into the lake. The tests would be made and commence of the committee.

Mr. Kincaid said this arsenic problem has been a challenge to every one of us, and that we all deserve an honest answer.

Mr. Rollins suggested the possibility of holding a County Day, in which there would be some entertainment for children and adults alike. He further suggested that Mr. Davis be invited down for the occasion, and said that he would be most happy to put forth every effort to see that Mr. Davis was present if the people wished.

Mr. Graham Mouch asked if there would be any chance of the voting age being lowered to 18 before election. Mr. Rollins stated that this was very unlikely for quite some time to come, as there was so much involved. Mr. Davis himself has stated that it will probably take years of study and work before the age could be lowered.

Mr. Rollins gave an account of some of the many things he has done in the interests of Madoc.

He said he would continue to do his best to assist the town in any problems that might arise if the people would let him know about it.

Mr. Allan Bronson thanked Mr. and Mrs. Rollins for the lovely dinner and for the excellent opportunity of discussing these important matters with them.

BIRTH

DELINE — Mr. and Mrs. Tom Deline (nee Phoebe Young) are pleased to announce the arrival of their first son, Thomas Charles Richard, on Tuesday, May 4th, 1971, at the Belleville General Hospital. A first grandchild for Mr. and Mrs. Tom Deline Sr. and also a grandchild of Mr. and Mrs. Richard Young. A first great grandchild of Mrs. Murney (Lillian) Smith.

HUDSON — Mr. and Mrs. Lloyd Hudson (nee Patricia Quinn) are happy to announce the birth of their son, Aaron Michael, 6 lbs. 2 oz., on Saturday, April 24th, 1971, at St. Mary's Hospital, Kitchener.

FRIENDLY HINTS

TRACTOR CARE

Ever wondered if the smoke coming out of your tractor exhaust is normal or not? It can be normal - or it could be any number of ailments, depending on how it smokes. If you left fixing it until now - your spring work may be affected.

When diesels work under heavy loads, it is normal for them to smoke a little. But continuous heavy smoke indicates either incorrect fuel or perhaps poor regulation of fuel flow. Black or gray smoke is often related to blocked or partially blocked air intake. If your diesel engine is producing black or gray smoke, check the air intake and passages and air cleaner.

A poorly operating fuel injection system may cause excess black smoke. As a general rule too much black smoke means the injection system ought to be checked.

Some gasoline engines are set to overfuel when you give them full gas, and so they may smoke under heavy load. But the smoking shouldn't be continuous if the motor is operating correctly.

Blue smoke often indicates worn piston rings, which allow oil to get into the cylinders. It could also be worn and leaking seals on valves, that lets oil into cylinders from the crankcase through the valves. Occasionally the oil bath cleaner is filled too full after servicing, and this might cause blue smoke also.

But don't overlook the possibility that other engine troubles are leading to a smoking exhaust. Worn points and plugs, faulty ignition and carburetor, even a bad thermostat can cause the engine to operate poorly and lead to smoking.

Mother's Shrine To Be Built At Peace Park

A Mother's shrine will be erected in the Lester B. Pearson Peace Park by Mr. Howard Dinnick, Toronto, one of the Committee members administering the park, and his wife Earlene. This is being done on behalf of all mothers who have lost sons in previous wars and on behalf of their own infant son Kirk, in the hope that when he grows up, he will not have to go to war.

The shrine will be in the form of four pillars with a bell tower at the top. The four pillars will be supported by a concrete apron which will provide shelter for those visiting the park.

Adjacent to the Mother's Shrine, a Children's Peace Park will be built. "Children are our hope for a better world free from the scourge of war," commented Roy Cadwell, Chairman. "A Mother's Shrine in the park will emphasize the fact that it is the mothers of the world who have the most to lose by war." Those who would like to contribute to this project may do so by writing the Peace Park, Tweed, Ontario. All contributions are tax deductible.

C.H.S.S. PRESENTED MUSIC and DRAMA

On the evening of May 5th, 1971, Centre Hastings Secondary School, Madoc, presented "An Evening of Spring Entertainment" consisting of music and drama.

Following the opening remarks by M.C. Mrs. Sharon Ostman, the audience rose as "O Canada" was played.

To begin the program, the C.H.S.S. Concert Band, directed by Mr. William Aylsworth, performed in their illustrious manner.

Next, Margaret Graham and Pamela Coveney, gave a brief introduction to the "Theatre of The Absurd", followed by the play, "The Sandbox", directed by Mrs. J. Simpson. The cast for this play was as follows: Mommy, Marg McMillan; Daddy, George Cassidy; Grandma, Dorothy Peters; Young Man, Dan Lajoie, Musician, Paige Hill.

Mr. B. Halferty, and his Folk Singing Group, sang five selections to be followed by a fifteen minute

intermission. "Ladies I Address You Privately", directed by Mr. and Mrs. William McKeough, presented a most original display of drama, with the following cast: Mrs. Justine Sloane, Linda Allair; Sarah Williamson, Marg Spencer; Mrs. Natalie Townsend, Alice Roeper; Mrs. Chetty, Sherrill Fleming; Jane Forsythe, Joan Hassal; Scriptures, Joan Donaldson; Hester Wray, Nancy Yasy-szczuk; Cynthia Charlebois, Myrna

Fleming; A Voice, Dorothy Peters. Before the evening performance Mrs. Simpson, Mrs. McKeough and Mrs. Ostman were presented with corsages of pink Sweetheart roses and lily of the valley, while Mr. McKeough was given a white carnation boutonniere tinted a lovely shade of blue, by the Drama Club. The Drama Club extends thanks to all who joined in the hard work, and all the people who came out to enjoy the performance.

OWRC SAYS MOIRA WATER and FISH SAFE

CELEBRATE 85th BIRTHDAY

Sunday, May 2nd, was a very happy occasion for Mr. Will Stewart when many of his friends and relatives gathered at a tea given for him by his family to celebrate his 85th Birthday, at the Parish Hall, Madoc.

Mr. Stewart wore a blue and white carnation boutonniere on his suit. This was a gift from his granddaughter, Ruth.

The tea table, centered by a large blue and white birthday cake, was decorated by blue table candles and flowers.

Guests were present from Toronto, Peterboro, Ottawa, Napanee, Marlbank, Read, and Bancroft, as well as his many good friends from the Madoc area. He also received many congratulatory cards from people who were unable to attend.

Mr. Stewart was a resident of Madoc Township until 1967, when he retired. He now lives in Bancroft with his son Bill and family.

BIRTHS

BEART — Kimberley Anne Beart proudly announces the arrival of her baby brother, Kevin Clarke, 6 lbs. 6 oz. on Saturday, May 15th, 1971, at Branson Hospital, Willowdale, Ont. Sheila (nee Gaebel) and Frank are thrilled too!

DEVOLIN — The arrival of Jennifer Lynn, weighing 7 lbs. 10 ozs. made family day, May 9th. A very happy occasion for Darrel and Elaine (nee Brownson). First Granddaughter for George and Hilda Devolin and Perry and Eva Brownson.

BROWNING — Bev and Evelyn (nee Ash) are pleased to announce the arrival of their daughter, Sherri-Ann Beverley, on Thursday, May 13th, 1971, at Belleville General Hospital, weight 7 lbs. 1 1/2 oz.

TARGET TALK

The Madoc District Hunters and Anglers Club held the 5th shoot of 1971 on May 16th. The prize winners for the day were Round 1, M. Quinn Sr. 100 yds. Round 2, L. Carman, 100 yds. Round 3, G. Donaldson, 100 yds. Round 4, L. Hicks, 50 yds. Round 5, D. Boxwell, 50 yds. Round 6, J. Quinn, 50 yds. Round 7, Joe Foley, 50 yds.

The points accumulated for the day were as follows:

Name	Class 1	2	3
M. Quinn Sr.	16	19	30
L. Carman	14	20	30
G. Donaldson	19	19	28
L. Hicks	16	19	29
D. Boxwell	18	20	28
J. Quinn	18	20	27
Joe Foley	19	20	29
R. Grass	16	20	27

With the year about a third over the total points thus far are, 150 possible for class 3 and 100 the perfect score for classes 1 and 2.

Checking the score boards we find the following points accumulated during the first five shoots.

Name	Class 1	2	3
M. Quinn Sr.	83	90	149
L. Carman	63	93	139
L. Hicks	84	98	146
J. Foley	66	78	113
(1 shoot absent)			
Joe Quinn	91	100	145
G. Donaldson	88	96	141

One perfect score in class 2 going to Joe Quinn. Nice shooting Joe. The next shoot has been set for June 13th. See you there!

CORRECTION

Last week an error occurred in the Madoc Village Council Minutes of May 10, 1971. It should have read as follows:-

Moved by: Robert Kirkwood (not T. C. Barton). Seconded by: Kel Kincaid.

That T. C. Barton be nominated as Councillor.

The clerk apologizes for this error.

HARRY GOVIER RECEIVES MEDAL

Provincial President, Douglas MacDonald presents Harry Govier, Madoc, with the Certificate of Merit and the Meritorious Medal at Lindsay on Sunday, April 18th, for his many years of dedicated service to

the Madoc Branch 363 of the Royal Canadian Legion. Mrs. Billy Kerby, District Chairman of Honours and Awards, also offers her congratulations to Mr. Govier, as this is the highest award the Legion can be-

stow on one of its members. In June 1960, Mr. Govier was presented with a Certificate of Merit by the local Branch and in October 1969, he received a Legion Certificate of Merit by the Provincial Command. Photo by S. Braughton.

RECREATION COMMITTEE PLANS SWIMMING AREA

Hopefully, Madoc and area youths will be able to learn to swim right here in the Village this summer if present plans for a community swimming area are successful.

The Recreation Committee is seriously considering a proposal to prepare a suitable swimming spot for area children at the creek behind the ball park. The Moira River Conservation Authority had displayed plans for a park extending from Livingstone Street to the Old Madoc Road, which would be an ideal location for a badly needed swimming area for the local children.

The bottom of the creek runs along the same lines as an actual swimming pool, as it slants from very shallow to quite deep.

Among the advantages of choosing this location, is the fact that a dual purpose set of buildings could be built to provide dressing rooms for both the swimmers and the ball players at the adjacent ball field.

Another advantage is its availability and proximity to Village residents, as mothers can walk with their children to the area during afternoons when they might not have a car at home. Also the children could be kept safely amused and cool during the long summer months, while learning a very necessary life-saving sport.

These plans did not develop overnight, however. The Committee has seen the necessity of such a recreational area for a long time back, and for the past three years, with the closing down of a number of summer resorts with these facilities in the area, they have been seriously discussing the matter. If enough support is obtained, a swimming instructor would be hired to teach these children the proper methods of swimming.

The only drawback is the availability of funds to help cover the expenses of from \$1,000 to \$2,500 for the project. The Recreation Committee is hoping the many service clubs and organizations in the Village will come forward with offers of donations of special money-making projects to make up the finances.

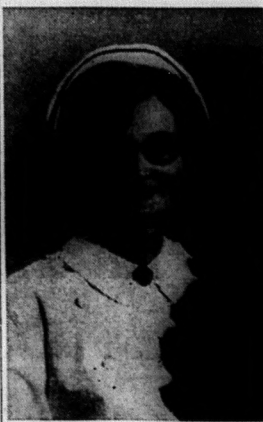

The bottom of the creek requires a great deal of clearing of accumulated debris, and it has been suggested that perhaps the community on the

whole, including the younger generation, might volunteer some manual labour for this.

According to a Committee spokesman, a number of businesses, organizations and residents have expressed their interests in the project. It was broadcast over Hastings Cable Vision, Channel 6 on Sunday night, and by Tuesday morning, an offer of financial assistance had been received. There is a possibility for a government grant of a certain percentage of the expenses involved, so with all that assistance, the Committee feels quite optimistic about their project.

In recent years, Madoc and area youngsters have had no opportunity to learn to swim, due to lack of facilities, and this is a shame, considering the good source of water that is readily available.

A few in the Village have been swimming in the creek upstream of this site and it is generally felt that the water would be put to good use if properly prepared.

Miss Sharon Smith has graduated from Peterborough Civic Hospital, School of Nursing. She is the daughter of Mr. and Mrs. Don Smith, Madoc and a Grand daughter of Mrs. Nellie Smith of Peterborough.

Sharon also won the E. M. Leeson Prize for the highest standing in Medical Nursing.

According to the Ontario Water Resources Commission, the fish in Moira Lake are safe for human consumption and the water is safe for recreational purposes, despite the recent adverse publicity about arsenic contamination.

This was the essence of a letter received by Mr. Tom Burnside, Reeve of Madoc Village, from the Commission last week.

The letter was in reply to correspondence received from Mr. Burnside, who said that local resi-

dents and many cottage owners are losing confidence in the lake because of reports of mercury and arsenic contamination in the water. The Reeve was seeking truthful facts as a basis for the answers he must give the many people who question him about the health hazard of using the lake for recreation and fishing purposes.

The O.W.R.C. reply said that fish in Moira Lake have been found to contain less than 0.02 parts per

Madoc Township Bylaw Freezes All Land Use

Madoc township council has frozen all land use within the township.

The action was taken May 15 and will prevent use of the James Quinlan farm for anything but agricultural purposes. It rules out its use as the site of a rock festival.

Township clerk Beryl Carman said the by-law must go to the Ontario Municipal Board for approval before becoming law in the township. It will remain in force until the Hastings County official plan, now in the preliminary stages of preparation, goes into effect.

The bylaw freezing all land at its present use can be amended to allow exceptions, said the clerk, for instance in the case of someone wanting to build a house on a small lot split from a farm.

Anyone who breaks the bylaw can be taken to court by the township. The penalty is a "fairly stiff fine, about \$500 maximum," said Mr. Carman.

Monday, Reeve Cecil Woods of Madoc township took exception to press reports labelling an earlier regulatory bylaw an "anti-festival"

bylaw. "It is not designed to ban festivals," he said. "It's to regulate everything."

The reeve said the bylaw would not apply to county fairs, because it controls only those events that last for 24 hours or more.

"We can amend any part of the bylaw at any time to permit Sunday School picnics and country fairs," he said.

The so-called festival bylaw, drafted by the county and sent out to townships for their adoption if they wish, is now being passed in many of Hastings county's 27 municipalities.

County clerk Carl Bateman said he has no official count as yet of the number of municipalities that have passed the bylaw, but it is believed to be in effect in many townships.

It calls for a licensing fee of \$500, posting with municipal clerks of an insurance bond for \$200,000 of property damage, and advance payment of the estimated cost of police protection.

Order Of The Eastern Star Celebrates 45th Anniversary

Madoc Chapter No. 143, Order of the Eastern Star, celebrated its 45th birthday on Monday evening, May 10th, in the Chapter room, which was decorated with lovely yellow mums and white candles.

The birthday party attracted a

large number of visitors and members who joined together in celebrating the happy occasion. They were sincerely welcomed by Worthy Matron, Norma Graham, and the Worthy Patron, David Kernohan.

Special welcomes were extended to the distinguished guests, Mrs. Edna Dobbs, Associate Grand Conductress of the Grand Chapter of Ontario; Mrs. Mary Bedford, District Deputy Grand Matron of District 12; and Past District Deputy Grand Matron Luella Brickman.

Presiding Matrons and Patrons present for the gala event were Anna Poste, Trenton; Eva Wease, Quinte; Muriel Morgan, Port Hope; Hazel Johnston, Havelock; Rex Chaplain, Belleville; Kingsley Stevenson, Port Hope; Tom Bedford, Trenton; and Hugh Wease, Quinte.

Corsages and boutonnieres were presented to all distinguished guests and presiding matrons and patrons, along with a presentation of corsages to our three Charter Members: Mrs. Gladys Nayler, Mrs. Maude Jones and Mrs. Blanche Kellar. The Worthy Matron thanked them for their many years of faithful service to the Chapter and the Order of the Eastern Star.

All Past Matrons and Patrons were welcomed, presented with corsages and given a round of applause for their services and dedication to the Chapter in the past.

A lovely case made of mahogany and covered with glass has been made for the display of Chapter jewels, and it will be placed on the wall of the Chapter room for members to enjoy in the future. This chest was made by Brother Archie Pitt.

The Chapter room was also adorned with a new altar, beautifully constructed by Brother Leonard Root. Worthy Matron, Norma Graham has, for the past two years, had the obtaining of a new altar as her pet project. Everyone has joined in to help raise the money to make this project possible. Sister Luella Brickman dedicated the altar

Senior Citizens Enjoy Music Entertainment

Forty-two members and four visitors attended the regular meeting of the Madoc and District Senior Citizens Club on Wednesday, May 12

at the United Church basement. In the absence of President Mrs. Broadworth, Mrs. Fox, Vice-President, was in the chair. Roll call, "My mother's favourite song" was well responded to and brought memories of everyone's mother. The minutes of previous meeting were read by Secretary, Miss Raney. A thank you card from Mr. Forestell was read.

Mrs. Yearwood gave her report on cards sent to sick members. The next meeting will be held on Wednesday, May 26th, at the usual time and place. Lunch committee is to be Mr. Jesse Reid, Mrs. Edith Davidson, Mrs. Mary Thompson, Mrs. Dorothy Akey, and Mrs. Manly Baumhour.

Arrangements were made for bus trip to Ottawa, leaving United Church on Tuesday, May 18, at 8:30 a.m. "Happy Birthday" was sung for Mrs. Moorcroft, who was celebrating her birthday that day.

The program convenor, Mrs. Hil-da Declair, then took charge of the remainder of the meeting, opening the program by all singing, "My Bonnie", with motions, Mrs. Fox read, "The Meanest Mother I Ever Knew." A Male Quartet of Mr. Williams, Mr. Rutledge, Mr. Carman, and Mr. Bronson, sang two numbers with Mrs. Reid at the piano.

Mrs. Johns gave an interesting talk on her work as an assistant to an oculist.

The Club would like to say a special "thank you" to Mr. Bill Taylor,

who so graciously came and entertained with his violin music. All hope he will come again.

Miss Connor gave two readings "What is a Mother" and "What is a Grandmother". Mr. Bronson played mouth organ selections.

Miss Adams conducted a very amusing contest, "Field Day". Four groups of men and ladies took part and the group with Mr. Rutledge as leader were winners of the cup.

Lunch was served by the lunch committee and a social half hour enjoyed.

Don't forget the next meeting on Wednesday, May 26, at the usual time and place. Come and enjoy an afternoon of fun and games.

TOWNSHIP SCHOOL ACTIVITY NIGHT

Another successful activity night was held in the Madoc Township Public School on Wednesday, May 12th, under the direction of the Adult Activity Committee.

A very active group of people were on hand to take part in volleyball, floor hockey and lacrosse. The less active people played cards, cribbage, crokinole and other games.

There will be another activity evening on Wednesday, May 26 and we would like to extend an invitation to everyone to come and enjoy these sports evenings.

Remember, you do not have to have children attending the school to be able to take part in these social evenings. So join us for a fun-filled evening.

AN IDLE SUMMER
FOR SNARLY STUDENTS

By BILL SMILEY

This is going to be a long, tough summer for parents of young people in the senior high school and university brackets. They're going to be stuck with bored, restless children.

And the only thing worse than having a bored, restless child on your hands is a severe case of the crud, with complications.

The reason it's going to be a bad summer is that there are no jobs for the majority of young people who would normally be working.

The other day I carried out a brief poll of one of my senior grades. Most of them are bound for university or nursing or some such. I asked how many had a job lined up for the summer. Out of thirty people, two had. One will work for his father on a dairy farm. The other, a girl, will punch a cash register and only got the job because she'd worked at it last year.

So there we have twenty-eight frustrated young people. I have the greatest sympathy, not for them so much as for their parents. Nothing will break up a good family relationship more quickly than having a healthy young animal lolling about the house all summer.

They eat as though every meal were their last one. They get lazier and lazier, staying up late and sleeping in late. They have no money for recreation and get surlier and surlier. They develop a feeling of being useless and unwanted, and resent any advice.

Too darn bad about the spoiled brats, you say, and I agree. But that doesn't alter the situation. I'd rather live for the summer with a porcupine that had an ulcer than a

student without a job.

Thousands of them will hit the road, like the hoboes of the Great Depression, drifting about the country, bumming meals, a place to sleep, and losing their self-respect in the process.

And just as the hoboes used to raise enough for the occasional gallon of wine, some of these kids will panhandle or steal to get money in order to get high on drugs.

What's the answer? Don't ask me. I'm a question man, not an answer man. Then let's ask some questions.

Is it partly the kids' fault? Yes. Some of them would rather bum all summer than clean themselves up to the minimum standards of a pretty free society. Others have never done a dirty day's work in their lives and would not stoop to menial chores (My first job was cleaning out latrines.) And a great many of them simply sneer at the whole protestant work ethic. It's all right for the old man, but I'm going to do my own thing — not work.

But I think the majority of these kids would welcome a job of any kind. Tough toe-nails for them. There aren't the jobs.

Industry doesn't want them, for practical reasons. They have to be trained for even the simplest factory work, and by the time they're producing, they're off to school again. Industry prefers to hire people who are going to be content to put round pegs in round holes for years, at minimum wages.

And speaking of wages, the tourist industry, which used to absorb so much student labour, can't afford it any more. Minimum wage laws in jobs that used to be supplemented by tips have made many resort operators turn their backs on students. Why hire an awkward girl waitress with no experience, at a buck fifty an hour or whatever, when you can hire experienced waitresses from the vast pool of unemployed, for the same figure?

Is it the government's fault? Partly. The \$50 million the federal government put up to alleviate the students' situation was too little and too late, and had so many strings attached to it that Mr. Benson might just as well have thrown it into the Ottawa River.

All it has done is create another branch on the vast oak of bureaucracy. That's where a good chunk of the money will go. It's like foreign aid. By the time the wheat or whatever it is trickles down through the bureaucrats to the natives (students), there's only a mouthful left.

Any reader with a modicum of comprehension will have realized by this time that my daughter is home from university without a job.

Anyone have a job for a twenty-year-old with big brown eyes, a charming grin and auburn hair? Qualifications: plays a mean piano and guitar and sings; types as quickly and accurately as her father; has a sunny disposition except when she's loafing around home without a job; fair cook; washes dishes faster than an automatic. Oh, yes, has a terrific figure.

Dear Madam:

I greatly appreciate the assistance and co-operation received during the past filing season.

I am sure your subscribers found the tax tips and other news worthy items of interest, and I hope that same has assisted them in filing their Income Tax Returns.

Once again, thank you very much, and I look forward to next year's program.

Yours sincerely,

Dear Sir:

I moved to this town 15 years ago, and considered it a good place to live with honest and upright citizens in control of its administration.

I work out of town and I am here only on week ends - but I watched the former By-Law Officer perform his duties. I thought he did an excellent job, found him courteous and watched him help others.

Many businessmen here have heard me say that I bought whatever I could in Madoc, for example - groceries, cars and supplies. Now when I hear the voice of these businessmen - the Madoc Chamber of Commerce - I now have doubts as to whether my money was well spent.

I believe every citizen in this Village should express their opinions regarding the actions of our Council. We need control of traffic and parking, or else it will go back to the old days when one couldn't ride a bicycle down front street on an open night for the double parking on both sides of the street.

NUFFIELD SCHOLARS
VISIT CHESHIRE

The Review was pleased to receive a newspaper clipping from Mr. Grant Ketcheson, who is presently in England on a six-months Nuffield Scholarship trip to study milk production and animal breeding there.

The clipping was taken from The Farmer's Guardian, dated April 2nd, and contained a large picture of him during their visit at Cheshire.

Although we are unable to reproduce the picture off the newspaper, with his fellow Nuffield scholars the following is the text of the write-up:

"Six Nuffield Foundation scholars paid a two-day visit to Cheshire this week.

The group arrived in the County on Tuesday and its members were entertained by members of Cheshire NFU. The following day they paid a visit to Mr. Michael Mulliner's Moor Hall Farm at Aston, near Nantwich.

Mr. Mulliner is himself a former Nuffield scholar.

The party consisted of Canadians, New Zealanders and Australians. From Canada were Mr. Grant Ketcheson of Madoc, Ontario, who is studying milk production and animal breeding in this country; and Mr. John Woodburn Lambie, from Embro, Ontario, a school-teacher farmer who is taking a look at intensive sheep production."

The clipping went on to list the various visitors from Australia and New Zealand, but space does not allow us to copy the story in its entirety.

It concluded, "The visitors should have numbered seven, but one of the scholars was taken ill in the South-West. The scholars are in this country for six months."

Grant's wife, Gayle, brought the clipping in to us and she reports that her husband wrote about a visit he had made to a brother of Mrs. Gordon Chapman of Cooper, and stayed overnight at his home. It was quite a coincidence that while he was there, a large bundle of Reviews arrived in the mail from Mrs. Chapman, and Grant was very pleased to get a chance to go through them.

More on this appears in a letter which we have since received from Grant, elsewhere in this edition.

What is our Council going to do about it, or will the Chamber of Commerce provide the answers?

Yours Truly,

Laverne L. Carman.

Dear Sir:

The Moira Valley District Council held its last meeting of the year, until September, on Monday, May 3. The meeting was held in the high school in Cloyne. The turn out was very good at this meeting. There were nineteen members present.

Several months ago, the Kawartha District sent out a letter to all other Districts in the area, telling them of a Scout in the District who plans to go the World Jamboree, in Japan this summer. The boy is not able to finance the trip himself and since he is determined to go, even if he has to borrow the money, the Kawartha District decided to ask for donations from other Districts. Already we have received several donations of \$15.00.

Nominations for new members of the District Staff were also given and the final decisions will be made at the Annual Scout Banquet in October of this year. The Banquet this year will be in either Stirling or Bonarlaw.

This year we have two new additions to the District's Cub Field Day. Both Bancroft and Madawaska have been invited. The Field Day this year is to be held in Marmora on Saturday, June 5th.

Also, coming soon, the Scouts of the Moira Valley are holding a Camporee north of Campbellford on May 24th weekend. Here also, we have invited others to join. The Presqu'ile District is to join us in our camporee. I would like to say here, on behalf of the Moira Valley, to all interested parents, that we would be happy to have you join us at any time during the Camporee. This is your chance to come out and see your son enjoying his days as a camper.

On the 13th of June at 2:30 in Roslin, the boys and girls of the Boy Scout and Girl Guide movements of the Moira Valley District will be parading. All those wishing to see the parade, please feel free to attend, for it is on such occasions that one can see all the active young people there really are in our area. It's something to be proud of.

Again I extend the invitation to all the interested people to come out and see us in action. It might be a lot of fun for you.

Yours in Scouting,
John Kirn,
Secretary.

Dear Carol:

Greetings from England! It seems impossible that over two months have passed since I left Madoc and winter. Time certainly flies when the sights are so many and varied, and life so different than in Canada.

We arrived on March 1 in London and were welcomed by beautiful sunny weather. The green grass was a most welcome sight.

Since then I have travelled almost 5,000 miles in England and have visited 60 farms. The people here are just as friendly as at home and much of my time has been spent with farm families. Driving on the "wrong side" of the road has become quite natural and is not as difficult as I had first thought.

Following two weeks with a farmer in Surrey (south of London),

I joined the other Commonwealth Scholars (from Canada, New Zealand and Australia), on a 1600 mile, 16 day, coach tour of England. For the last three weeks I have been travelling alone, visiting farmers and generally learning to love life in this most historic wee country.

One of the most interesting aspects of life in England is the curious mixture of old and new. My first host in Surrey lived in a quaint timber and brick house, built about 1420. It was easy to imagine, as we sat before the huge stone fireplace, of people seated there many years ago and discussing the voyage of Columbus to a savage new world across the sea.

In contrast to this old cottage is Mr. Lane's huge new dairy business, with 3 herds of 120 cows each. All the latest techniques have been applied, and I think it would be fair to say that we in Ontario would be considered small dairy farmers, compared to the average modern farmer in England.

A point of real interest to me was

a visit to the English Milk Marketing Boards' Cheese Warehouse in Somerset where I sampled some Ontario Cheddar manufactured at Eldorado! I'm sure Ivan Sine and the area farmers would be happy to know that some of our September 1960 Cheddar is being now eaten in England.

I visited Mr. and Mrs. Robt. Vowles in Mark, Somerset. Mr. Vowles is a brother of Mrs. Gordon Chapman. On Monday last I arrived there, just hours ahead of a roll of North Hastings Reviews, sent by Mrs. Chapman! It was certainly nice to read some local news.

I shall be moving further north now, and hope to see some of the historic sites of Scotland while I'm in Scotland to attend the Royal Highland Show in June.

Kindest regards to all the good people of Madoc.

Yours truly,

Grant A. Ketcheson,

Sam, Doug or Walter Danford**MADOC — ONTARIO****Looking Back...**50 YEARS AGO
May 12, 1921

Mr. F. E. Brown of Madoc has just received notice from the Department of Lands and Forests that he has been appointed Inspector of Colonization Roads for the District of North and East Hastings. His duties will begin immediately.

On Wednesday of last week some parties broke into the late Mr. Weir's clothing store and took two suits of clothes and an overcoat.

There was a large attendance at the Presbyterian W.M.S. on Thursday last, several of the members who had been out of town for the winter months, having returned. The President, Mrs. E. West, welcomed these ladies and Mrs. Hungerford replied, quoting a poem, "The Joys of Getting Back."

The County Bridge and Road Committee left on Tuesday morning on their annual tour of inspection throughout the northern part of Hastings County.

Weddings — At the home of Rev. R. C. Raymond, Smiths Falls, on Wednesday, May 5th, Miss Jennie Bainbridge of Ivanhoe was quietly married to Mr. William Beaks of Eldorado.

A very pleasing event was solemnized at the home of Mr. and Mrs. Alfred Whiteman, Cooper, Ont., on Wednesday, at six o'clock, when their eldest daughter, Eva May, was united in marriage to Mr. Walter Moore, son of Mr. and Mrs. Jno. Moore of Harts, Rev. A. C. Hie officiating.

Obituary — On Thursday evening, April 21st, Mrs. J. T. Kissack (nee Miss Edith Laura Storrington) passed away, in her 27th year, at the London Hospital.

Charles James Howell, President and Manager of the Intelligencer Limited, passed away at his home in Belleville, after an illness of some duration.

Sorry to hear of the death of Mrs. J. Townsend, sister of Mrs. Robert Stout of Ivanhoe.

A fire of unknown origin occurred on the premises of Mr. Shea on East St. Lawrence Street late Thursday afternoon, burning his barn to the ground. Mrs. Shea, discovering the fire, entered the barn in an attempt to free the two ponies stabled there. She succeeded in getting one out. The other, along with 29 chickens perished in the fire. The local fire brigade could do nothing to save the barn, but protected adjacent buildings from the fire.

Dr. J. M. Wasserman wishes to announce the opening of an office for the practice of medicine, surgery and obstetrics on Monday, May 13th, in the Alexander residence on St. Lawrence St., Madoc.

Mr. Grant L. Thain, former Madoc High School Principal, has been appointed "Administrator of Schools" for the city of Fort William.

Grade 5:- Vivian Post, 80; Betty Ketcheson, 87; Agnes Tobin, 78; Eva Howard, 71. Grade 4:- Barbara Curtis, 81; Frank Curtis, 74; Edward Tobin, 79. Grade 3:- Geraldine Tobin, 77. Grade 2:- Leo Darrah, 84; Lois Covert, absent.

On Thursday evening, April 25th, friends and neighbours gathered at the Orange Hall, Madoc, to enjoy a social evening with Mr. and Mrs. Gordon McCoy, who were recently married. Miss Prudence MacIntosh read an address and the couple were then presented with a studio couch.

On Saturday evening, May 4th, a very enjoyable evening was spent at the home of Mr. and Mrs. Edward Robinson, Malone, when friends and neighbours gathered to spend a social evening on the occasion of the marriage of their daughter, Audrey, to Ronald Wickett of Foxboro. Mrs. Beryl Carman read an address and the couple received some lovely gifts.

Birth — In Madoc Township, on Sunday, May 5th, 1946, to Mr. and

Mrs. John Curtis, a son.

Deaths — Thomas William Childley died in Eldorado on May 5th, after four day's illness. His wife, the former Mildred Barry, survives, along with two sons and six daughters.

The death of Mrs. Thomas Rivers, 71, occurred at her home in Madoc on Sunday, April 28th, following a year's ill health. She was predeceased by her husband.

15 YEARS AGO
MAY 10, 1956

Unestimated damage resulted when fire burned over a large tract of land known as the Noyse Mine buildings, east of the C.N.R. track south of Moira Lake, owned by Mr. W. J. Symon. Included in the loss was a compressor housed in one of the buildings. Section men were able to save the house owned by Mr. and Mrs. B. A. K. Smiley, which was in the path of the fire. Help arrived too late to save the mine buildings, but the fire was brought under control before it reached any of the cottages nearby.

On Sunday evening, April 29th, St. Peter's Presbyterian Church held a special service of dedication of the new electrified pipe organ, which has recently been installed. The service of Sacred Praise was under the leadership of Mr. S. Hawthorne and was assisted by Mrs. T. Redden of Toronto (nee Phyllis Beatty). Rev. M. W. Heslip based his timely address on the Dedication of our Lives.

A tree planting "bee" was held at the O'Hara Mill Park in Madoc Township, sponsored by the Moira River Conservation Authority. The mill, over a century old, is being restored as a tourist attraction.

The anniversary services in the Bannockburn Tabernacle on Sunday, followed by a rally on Monday night, were well attended and most inspiring messages were enjoyed.

Eldorado and surrounding community had its share of farewell parties this past week. On Saturday evening, friends and neighbours gathered at the home of Mr. and Mrs. Clifford Chambers, who are moving to Scarboro. On Monday evening, a farewell party was held at the home of Mr. and Mrs. Glen Boyle in honor of Mr. and Mrs. Laverne Carman, who have moved to Madoc.

Wedding - St. Peter's Presbyterian Church, Madoc, was the setting on Saturday, April 28th, at 2:30 p.m. when Shirley Elizabeth Caterer of Madoc, daughter of Mr. and Mrs. Raymond Caterer, became the bride of James Ross Tennyson, R.R. No. 1, Madoc, son of Mr. and Mrs. Gilbert Tennyson.

A wedding of local interest took place in Toronto on Saturday, April 28th, when Louvain Mary, daughter of Mrs. Sharp of Toronto and the late William Sharp, was married to Kelvin Thomas Brownson, son of Mr. and Mrs. Arthur Brownson.

Obituary - Guy Storrington, a former respected resident of Madoc, died of a heart attack at his home, Niagara Falls.

MADOC YOUTHS COLLIDE

Sixteen-year-old Michael John Ingles of Tweed was sent to Belleville General Hospital on Saturday, May 8th, following a single - car accident at 8:25 p.m.

The mishap occurred at the No. 7 Highway west junction of the Madoc by-pass and involved a 1964 Ford car, owned by the youth's father, Gerald Ingles of Tweed. Damages to the vehicle were estimated at \$800.

A second minor accident occurred here in the Village at the corner of Kincaids I.G.A. last Monday at 12:49 p.m., which, fortunately, the two youths involved escaped uninjured.

The collision involved Barry Rivers, 17, on a 1970 Suzuki and Stewart Carswell, 12, on a C.C.M. bicycle, both of Madoc. Damages were estimated at \$25.00 to the Rivers Honda, and \$30.00 to the Carswell bike.

Mrs. Hawkes was hostess for the May meeting of the Women's Missionary Society. There were twelve members and one visitor present.

Mrs. Allan presided at the meeting, in the absence of Mrs. Bailey, who is ill. The Call to Worship, a Prayer, "Father Before Thy Throne", was read by Mrs. Woods.

Hymn 494, "What a Friend We Have in Jesus", was sung, followed by the Scripture Lesson, Judges 11:30-40, read by Mrs. Deline. Mrs. Allan closed the devotional period by repeating the hymn, "It Is Well With My Soul."

During the business portion of the meeting an encouraging financial report was presented by Mrs. Reid. The members were reminded of the donation to the Supply Fund to be received at the next meeting.

The members who had attended the Synodical Meeting in St. Coloma Church, Belleville, reported that in order to involve the whole church in mission work, a proposal has been made to amalgamate with a "Board of World Mission". A discussion followed after which the local ladies moved that a letter be sent to the proper authorities opposing this change in Women's Missionary work.

The topic, Jephthah's Daughter,

Woman of Mystery, was given by gramme. The tragic story of this heroic Hebrew maiden leaves a dark cloud of mystery over her subsequent history. Her character study portrayed her godliness; her meekness in spirit, and her patience in suffering. A question and answer period followed the lesson.

The Hymn, 798, "Jesus Saves", was sung after which Mrs. Woods offered the closing prayer.

Refreshments were provided by Mrs. Woods, convener of the pro-the hostess and her assistants.

IN MEMORIAM

McCANN — In loving memory of a dear Father and Grandfather, Mr. Percy McCann who passed away on May 6, 1945.

Just a prayer from us who loved you.
Precious memories kind and true,
In our hearts you live forever,
Because we thought the world of you.

Lovingly remembered and sadly missed by Harold and Clara, Ruby and Jack, Ethel and Doug, John and Marlene also Grandchildren.

TROTTER — In loving memory of dear Oliver, who passed away May 10th, 1963.

Remembrance is a golden chain,
Death tries to break, all in vain;
To have, to love, and then to part,
Is the greatest sorrow of one's heart.

The years may wipe out many things,
But this they wipe out never:

The memory of those happy days
When we were all together.
Sadly missed by his "Loved Ones."

FORESTELL — In loving memory of our Dear Mother, Grandmother, who passed away May 22, 1966. Down the road that's calm and peaceful,

Guided by God's loving hand,
She has gone for a journey
To a better, brighter land.

To us Mom has not gone away
Nor has she travelled far,
Just entered God's eternal home
And left the gate ajar.

Sadly missed always remembered by Son Gerald, Daughter-in-law Shirley, Grandchildren, Paul, Mary, Rosanne, Betty, Kevin Lees.

ENGAGEMENT

Mr. and Mrs. Glenn Boyle of Eldorado announce the engagement of their daughter, Ann, to Mr. David Hannah of Toronto, son of Mr. and Mrs. Stanley David Hannah of Belleville.

The marriage to take place at Eldorado United Church on Saturday, May 22nd, at two o'clock.

IN MEMORIAM

SHERROW — In memory of a dear friend, Robert Sherrow, who passed away May 22nd, 1966.

We do not forget, nor do we intend. We think of you often, will to the end.

Forgotten by some, you may be. In our memory you will ever be. Sadly missed but always remembered by Wayne, Sandra and Bobby Bronson. 20-1p

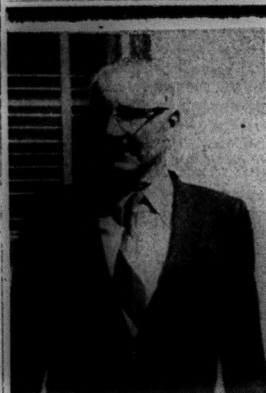

SHERROW — In loving memory of a dear son and brother, Robert, who passed away May 22nd, 1966. There is an open gate,

At the end of every road,
Through which each must go alone;
And there is a light we cannot see,
Our Father claims his own.

Beyond the gate our loved ones,
Find happiness and rest,
And there is comfort in the thought

That a loving God knows best.
Always remembered by Mother and family. 20-1p

Trinity United Church Women Madoc, Host Belleville

Spring Executive of the United Presbyterian Trinity United Church, Madoc, was host to the Spring Executive Meeting of the United Church Women of the Belleville Presbyterian. President Mrs. T. W. Spear set a good mood for the day by opening with the first five verses of John's Gospel and speaking of The Word. All things come from God for our good and we not only appreciate the Word, we reflect it. Mrs. C. Derry, president of Madoc U.C.W. gave the welcome followed by morning worship by Miss Helen Sexsmith. Her timely theme was Flowers and their meaning in the Bible and in our lives. As the main item on the agenda of this meeting was to plan the Fall Rallies, the presidents and unit leaders of the locals were present, and were made corresponding members.

The following announcements were made: School for United Church Women will be at Quin-Mo-Lac, Sept. 10-12. Belleville Presbyterian is to do the summary on Sunday morning. The Annual Presbyterian is at King St. United Church, Trenton, on Jan. 27, 1972. This date is subject to Dr. Long whom it is hoped to have as guest speaker. The Fall Executive will be at King St. United Church, Trenton, on Nov. 8, 1971.

Drugs: A petition to Minister of Health and Welfare, Hon. John Monro, was circulated and signed by

DAIRY MANAGEMENT TIPS
FOR SPRING

As the warm spring breezes blow in the open stable door on a sunny day, the cows begin to get restless for the outdoors and the fresh grass which they can smell growing. If you are like most of us, you're probably getting itchy to get them outside too, with one eye on the feed left in the barn and the other on how much time you spend doing chores.

Unfortunately, too many dairy-men think they can forget about feeding the cows when they get on fresh grass. That kind of treatment will do for yearlings, but not for heavy milking cows. All cows should continue to get some dry feed, such as hay, when they go on spring pasture, and high producers should get plenty of grain as well. Here's why.

The two fundamental reasons are that spring grass is low in fibre and low in energy. It is high in protein all right, and that will give production a spurt, but even an average producer won't keep up her body weight on a diet as high in protein and low in energy as is fresh grass. Hay increases the energy intake and balances the ration. You could use part corn silage with the hay if you wish. The easiest way to handle either is in a self feeder in the yard, but you can also feed in the stall.

We all know that the king-pin of the cow's digestion system is her rumen. Here the bacteria digest much of the feed eaten, leaving it in a form that the rest of the cow's digestive system can handle. Some dry hay is very important along with lush May and June grass to maintain rumen activity. There is the additional fact that a cow's appetite is controlled by the weight of feed in her rumen. Spring grass is very high in water and low in dry matter and she may stop eating soon. Some dry hay will help balance the intake. Another benefit from maintaining the roughage content of the feed is the butterfat test. Research has proven that on the average, test will drop in low-fibre rations. Lush grass is too low in fibre content to keep the test up as high as it should be.

Up to this point, we haven't said anything about feeding grain on pasture. High levels of grain feeding are a must if we want to maintain high levels of milk production, regardless of the time of year. In the spring, feed the heavy milkers enough grain to provide the energy they need to keep their milk production up to par.

We haven't said anything about feet, legs and hoof trimming, and space for this week is almost all gone. Cows that have been in free stalls all winter will be in pretty good shape. Cows that have been in tie stalls, and not let out for exercise each day should get a chance to exercise unused leg muscles every day for a while before going on pasture. Trim the hooves also to avoid cracked and broken claws and sore feet.

the ladies of the Presbyterian, asking that marijuana and hashish not be legalized.

Quin-Mo-Lac: articles needed for summer include picnic tables, chairs, screen doors and a large food mixer, among other things.

Manse committee: Mrs. Melvin Flake was named on this committee, the president will act also until another name is obtained. The Report of officers was as follows:-

Treasurer, Mrs. E. Ward: Balance May 1, \$881. All givings are down from last year. Mrs. Ward reminded U.C.W. treasurers to make out the Mission and Service cheque to the United Church of Canada, then the church treasurer will be sure to forward it to Toronto without delay. Supply and Welfare: Miss Sexsmith reminded all of Operation Eyeglasses. Send glasses, lenses and frames in any condition and of all sizes. They will be classified and repaired. Send direct to: Operation Eyeglasses, C.O. Operation School Supplies, 32 Grenville St. 5th Floor, Toronto, Ontario.

Also, money for blankets may be sent to Dr. Borgal, Church Treasurer, 85 St. Clair Ave. E., Toronto. \$2.50 will buy 2 blankets of cotton. These are easily washed. Also, when sending bales for Overseas, include yard goods and thread then the women can make their own garments.

Literature: Mrs. H. Harrison, retiring Literature secretary, introduced the two new secretaries, Mrs. G. Huyck and Mrs. C. Kells. Several interesting books were shown and portions read.

Press and Publicity: Mrs. H. Kerr stated that Belleville Presbytery, in reviewing their United Church Observer subscriptions to various organizations had decided to omit Nursing Homes from their list. There were two reasons for this: there are now a greater number of such Homes and some might be missed; also, many patients would have no use for such reading material. So it was thought each congregation, knowing the type of Home in its area, could provide such subscriptions as would be useful. It was suggested that the U.C.W. could take care of this. The meeting then divided into

DAIRYMEN!
THINK FIBRE

It's a sure thing that as soon as dairy cattle go out on pasture, we will receive a rash of calls from dairymen worried about declining butterfat tests. The first week or so is extremely critical as pasture is then lush and extremely low in fibre. Low fibre intake can result in a lowered butterfat percentage. Therefore, we must be concerned with keeping fibre intake up.

This can be accomplished by forcing cattle to eat dried hay daily before they are turned out. It will mean a little more manure in the stable and a little extra labor but the returns will make it well worthwhile. Besides, it need only be done for a week or so.

If you were plagued by a low butterfat test last May, guard against it happening again. Think fibre!

County Associations Amalgamate

At a recent meeting of the Hastings County Tuberculosis and Respiratory Disease Association, the members of the executive council agreed to amalgamation with the Prince Edward County Association, and the necessary motions to accept this amalgamation were put before the membership. These motions were willingly agreed upon by more than the quorum vote required, with only a few of the members in the county not being heard from. Also the new Constitution and By-Laws, which are standard for all Associates, were reviewed and accepted. These motions will be ratified at the initial meeting of the new Association, which will be held on June 9th, 1971, and a new membership nominated.

It is now the official policy of the Ontario Association that all associates have a total population count of at least 100,000, and they feel that with the larger associations, a much better programme can be carried out in Health Education and Screening Development.

A Refresher Course in respiratory diseases, specifically for nurses, was held at Sunnybrook Hospital, sponsored by the York-Toronto Association, and the Hastings Association paid expenses for four nurses from the Belleville General Hospital to attend this course. They were chosen from the Intensive Care, Surgery floor, Inhalation Therapy, and also the supervisor of In-Service Education. Also attending were two nurses from the Physiotherapy Department and a technician from the Pulmonary Function Unit. All those attending gave a very enthusiastic report on the presentations given.

The industrial x-ray survey done

in Hastings County has now been completed. Prior to this survey, the association contacted ninety-nine industries and large businesses in Hastings County with a total of 7,701 employees. From this number 5,915 employees took advantage of this service offered. In addition, 60 x-rays were done at the Indian Reserve, and 189 tuberculin tests.

These figures represent a fairly good percentage of attendance, and is a much better result than the mass surveys that used to be carried out with the general public.

The health education chairman, M. J. Dales, reported on his recent activities with film showings, anti-smoking demonstrations made with the aid of "Puffin' Pete", and tests made on a vital capacity lung testing machine. During the month of May, a screening survey will be made at one of the public schools in the county at the request of the principal, as he feels, hopefully, that this might have some effect, at least psychologically, with the smoking problem among his students.

St. Andrew's U.C.W. Unit Three

The regular meeting of St. Andrew's U.C.W., Unit III was held on Wednesday afternoon, May 5 at the home of Mrs. Lynn Holmes.

Mrs. Gordon Holmes opened the meeting with prayer. The minutes of the last meeting were read and approved. The roll call "How Can We Show Brotherly Love?" was answered by eleven adults and two children.

The Sick and Visiting Roll Call and the books read were taken by Mrs. Alex Clarke.

The offering was taken by Mrs. Allan McCoy and Mrs. Rex Rollins dedicated it.

Mrs. Herb Brady reported that we had sent 166 lbs. in the bale. It was moved by Mrs. Rex Rollins and seconded by Miss Mary Taylor that we send twenty dollars to cover shipping charges. Carried.

A number of old pairs of glasses were given to Mrs. Rex Rollins. The treasurer's report was given by Mrs. Allan McCoy.

Mrs. Allan McCoy was instructed to send \$6.25 to Mrs. D. Franks to cover our share of Presbyterian expenses.

Mrs. Gordon Holmes gave a report

on the Presbyterian.

Mrs. Gordon Holmes announced the Workshop in Madoc on May 10. It was moved by Mrs. Allan McCoy and seconded by Mrs. Fred Stein that we give twenty-five dollars to the church to buy articles needed for the kitchen.

The next meeting is at Miss Mary Taylor's on June 2nd, with Mrs. Herb Brady and Mrs. Fred Bailey, assistants.

Mrs. Lynn Holmes was in charge of the Workshop Service.

Miss Mary Taylor had the study book. Her topic was "From Racism Toward Full Community". Miss Taylor read three situations from the book. The ladies then discussed the questions which dealt with each situation.

Mrs. Rex Rollins gave a reading taken from the Billy Graham column which pertained to races.

The study book was closed with benediction.

Mrs. Alex Clarke read two poems "Understanding Youth" and "Strange Beauty."

Mrs. Gordon Holmes closed the meeting by all repeating the Benediction.

Lunch was served by the hostess and her assistants.

O.P.P. REPORT

During the week of April 30th to May 7th, 1971, Officers of the Madoc Detachment, Ontario Provincial Police investigated four motor vehicle collisions, three of a property damage nature and one with personal injury, resulting in one person being taken to Hospital.

There were three charges laid under the Criminal Code of Canada and 10 charges under Liquor Control Act and 20 charges under the Highway Traffic Act. There were 27 warnings issued. There were also eight requests for assistance. There were 55 occurrences reported to

this office, six thefts, three break and entering's and 38 miscellaneous. There were 18 convictions registered in Provincial Court with Judge R. C. Jackson presiding.

MOTORISTS: Children on bikes are everywhere these days, and some of them are experienced, safe cyclists, but some are not. Give these young inexperienced cyclists the same consideration you'd show if one of them were your own child. Overtake them cautiously, never startle them with a sudden blast of your horn, and pass them with plenty of room to spare. Your extra care can save a young cyclist from death or painful, perhaps crippling injury.

WATER and FISH SAFE

(Continued from page 1)

million (ppm) of arsenic, this being well within the maximum level in food of 5 ppm set by the Federal Food and Drug Directorate. The letter stated, "therefore, arsenic is not considered to pose any health hazard to persons eating fish taken from Moira Lake. The arsenic concentration in Moira Lake is also not considered to present any health hazard to persons using the lake for recreation purposes, including contact sports such as swimming."

The Commission further stated, "the average concentration of arsenic in lake water during 1970 was found to be 0.09 ppm. Thus, Moira Lake is considered to be satisfactory as a source of drinking water by summer cottagers and campers. The level, however, is still slightly in excess of the drinking water quality criteria of 0.05 for use on a year-round basis."

"The arsenic concentration in the lake water is decreasing. The average concentration in 1970 was 0.09 ppm, as compared to 0.13 ppm in 1969. With the undertaking of further improvements at the Deloro site it is hoped that the average concentration in Moira Lake during 1971 can be further reduced."

According to the Commission, high spring runoff causes some hydraulic overloading of the treatment facilities. As a result, the efficiency of arsenic removal is reduced to about 70 per cent in early spring. The normal efficiency is better than 99 per cent. The Company has been requested to correct this problem by diverting uncontaminated surface runoff around the treatment facilities. This diversion should be completed by the end of May.

The letter also states that the average concentration of arsenic in the Moira River, approximately one mile upstream of the Deloro site, was found to be 0.03 ppm in 1970. The Commission is not aware of any man-made sources of arsenic above the site and therefore believes that the 0.03 pp. level is from natural sources. Naturally occurring deposits

of arsenical minerals are known to exist in the Deloro-Madoc area, and therefore, access of arsenic to the river by leaching of natural deposits probably occurs downstream of Deloro, as well. Although the natural level in the river is high with respect to other watersheds, it is believed that it remains within the drinking water quality objectives."

According to the letter, diversion of the river around the old plant site has been considered. The cost of such an undertaking is estimated by the O.W.R.C. staff to be around two million dollars, and then, according to the Commission, treatment of arsenic containing water would still be required. The diversion would permit collection of contaminated ground water streams in the existing river bed. These streams would still require treatment to remove the arsenic.

The Commission had retained the firm of James F. MacLaren Ltd., consulting engineers, to carry out a ground water survey of the Deloro site, to assess the effectiveness of control works presently at the site, to define any remaining problems, and to outline the further measures which may be required to prevent access of arsenic to the river. It is hoped that the survey will permit interception of contaminated ground water at a much lower cost. However, if the survey is unsuccessful, then the diversion of the river will be given further consideration.

The letter said that enclosure of the arsenic containing deposits to prevent leaching has also been considered. In fact, the work carried out by the Company in November, 1970, consisted of the sealing of an area known to contain soluble arsenic deposits. The sealing was done by digging a trench to bedrock and back filling it with impervious clay and by also covering the surface of the deposits with a layer of clay. Should the ground water survey locate other sources of soluble arsenic, enclosure of the deposits with an impervious material will be one of the methods of preventing leaching to be considered.

As many of our readers know,

tourist resort operators on Moira Lake have complained of the condition of the lake water for several years, with William Hawthorne, operator of Crystal Beach, taking the lead. Last year, Mr. Hawthorne closed his popular summer resort, and this spring, Mr. Clayton Smith announced the closing of his Shoreline Motel on the north shore of the lower Moira Lake.

Reeve Burnside said that our village depends to a large degree on business from summer cottages, tourist resorts and tent grounds operating on the lake. Our residents have always derived a great deal of recreational value from the use of the waters for swimming, fishing, boating, etc. He also said that Moira Lake has been an important part of the life of many of our residents, as familiar to us as our own property. In recent years, he added, Moira Lake has fallen on evil times, either becoming more polluted, or perhaps we are more aware of pollution. He said the Moira has been plagued with excessive algae growths, the fish have been found to contain mercury poisoning, and most recently, the lake has received a great deal more adverse publicity through what appear to be well-founded claims by property owners on the lake, that there are excessive and in fact dangerous amounts of arsenic present in the waterway, in the sediment on the bottom and in the game fish. Mr. Burnside said these claims are based on analysis of samples collected privately and from studying reports

published by the O.W.R.C.

The Review is very grateful to have received the above information and a copy of the letters from Mr. Clarke T. Rollins, M.P.P., Hastings, who is showing an active concern over the Moira watershed problem.

COOPER

Mr. and Mrs. Bill McAdam, Sudbury, and Mr. and Mrs. Ivor Hughes, Madoc, were Friday afternoon callers of Mr. and Mrs. Rex Rollins.

Mr. and Mrs. C. O. Fuller, Bancroft, were Saturday visitors of Mrs. Frank Parks.

Mr. and Mrs. Roland Benedict and family moved to Orono on Saturday, after residing in Cooper for the past five years.

The 4-H girls Achievement Day was held in Madoc on Saturday. Mrs. Alex Clarke and Mrs. Rex Rollins attended from Cooper and Remington W.I. in the afternoon.

Visitors at the home of Mrs. Frank Parks and Mr. and Mrs. Rex Rollins on Sunday were Miss Eva Fleming and Mr. Dennis Woodward, Burritt's Rapids.

Mr. and Mrs. Allan McCoy were Sunday dinner visitors of Mr. and Mrs. Robert Marner and girls, Toronto, and supper visitors of Mr. and

Mrs. Donald McCoy and family, Toronto. Mr. Donald McCoy had been a patient in hospital for a couple of weeks and returned home Saturday.

Mrs. C. B. McCoy was a Saturday afternoon caller at the home of Mr. and Mrs. W. J. McCoy, Madoc.

Miss Christine Yzereef visited her sister, Jean, and family, in Toronto on Sunday.

QUEENSBORO W.I.

Mrs. Harry Declair was hostess for the May Meeting of the Queensboro branch of the Women's Institute which was held in the W. I. Hall on Wednesday evening, May 12th.

Mrs. Roy Rollins, President, opened the meeting with a poem "Beginnings", followed by the Institute Ode and Mary Stewart Collect.

The Roll Call, answered by "My Favourite Short Course", showed 14 members and three visitors present.

A thank you note was received from the family of Miss A. J. McCaw for kindness shown at the time of her death.

It was decided to hold the June meeting on Monday evening in order to have Miss Dianne Gunning as guest speaker.

The Girl's club leaders were in charge of the program. Connie Gordon and Sandra Holgate gave a couple of musical selections, followed by comments on, "New Life for an old Skirt."

Mrs. Allan gave a talk on, "3 Ways with 'Rice'", showing how it

can be used for each meal of the day.

Mrs. Harold Tokley read a commentary on, "How Wool makes the Difference", telling of the use and care of woollens.

Mrs. Allan Sager conducted a quiz on Cereals.

Mrs. Fred Bosley won the prize for guessing the number of pennies in a jar, which was donated by Mrs. McMurray.

The meeting closed with the Queen and lunch was served and a social time spent.

Mrs. Frank O'Rourke will be hostess for the June meeting.

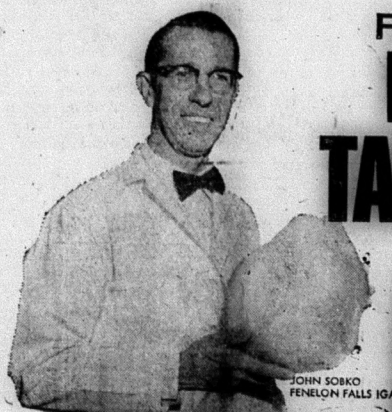

45th ANNIVERSARY

with speech of inspiration and sincerity.

After the closing of the meeting, a traditionally decorated Birthday Cake was placed on the altar and a candle service was given by the officers of the Chapter. The three Charter members cut the birthday cake and Chapter followed through with the singing of "Happy Birthday".

Entertainment was provided by the Quintones of Madoc (Dr. C. Derry, Messrs. Larry Stickwood, Robert Taylor, Doug Phillips, and Jack Wood) under the direction of Miss Lamorne West. The applause showed everyone's delight in having the group sing for us.

A pot luck supper was served, along with the birthday cake, bringing the social evening to a pleasant end.

LOCAL MAN HONORED AT HOCKEY BANQUET

A much-deserving community-minded Madoc man was highly honoured and surprised when he was presented with a Certificate of Merit at the recent end-of-the-season banquet of the All-Ontario Pee-Wee "D" Champions, the Madoc Legionaires.

Mr. Beverly Browning was the proud recipient of the award, presented to him by Mr. Joseph Ash on behalf of the various organizations, parents and all sports-minded people of Madoc, in recognition of his contribution to the building of character and sportsmanship in the young citizens of the Village for coaching the Madoc Pee-Wees to two all-Ontario championships: first, in Softball in September, 1970; and, second, in Hockey, 1971.

Bev. is the Vice-Principal of the Madoc Public School and takes an active and sincere interest in the youth of the Village, tomorrow's adult citizens. Not only did he work many long hours with the boys themselves, but he also sat up a number of late nights preparing an up-to-the-minute account of the games as they happened for coverage in the Review. Bev. has coached hockey for nine of his eleven years in Madoc, and reports enjoying every minute of it.

The certificate was signed on behalf of: Madoc Village Council, by Thomas Burnside; Madoc Kiwanis Club, by R. D. Graham; Royal Canadian Legion Branch 363, by Don Forestell; Madoc Loyal Orange Lodge, by Joseph Ash; Madoc Chamber of Commerce, by Charles Mowat; Madoc Recreation Committee, by Terry Fox; I.O.O.F., by Carl Adams; and the Masonic Lodge, by Eugene Pigden.

Congratulations, Bev., on very worthwhile efforts in the interests of our developing youth, and best of luck in the future.

Recreation Committee Commended On Plans

The Madoc Recreation Committee received the letter which appears below this week and felt they would like to share it with our readers.

Madoc, Ontario,
May 24, 1971.

Dear Sirs:

The Recreation Committee is to be highly commended, I think, for its plans to build a swimming pool and to develop a park.

I have always looked covetously at Tweed and Marmora — their little rivers are so attractive — and wondered why Madoc could not make its Moira River attractive.

When I suggested that as a Centennial project, I was told it could not be done! So, more power to you.

Why not include a wading pool for the tiny tots?

Wishing the Recreation Committee much success.

Ada J. Adams.

4-H HOMEMAKER RECEIVES AWARD

Mrs. Sheila Johnson, right, formerly Sheila Hagerman, is presented with a certificate and award for Advanced Honours, following her completion of 18 4-H Homemaking Club Units. The award was presented by Mrs. Francis Tobin, left, District President of the Women's Institute of Hastings North, at the Achievement Day held recently in the C.H.S.S. Auditorium. Home Economist, Mrs. Struthers, centre, awaits her chance to offer congratulations to Sheila for this fine achievement. Sheila is the youngest girl in the County to have attained this goal.

Special guests in attendance included members of the Hastings County Board of Education, Thomas Burnside, Reeve of Madoc Village, Mr. and Mrs. Don Forestell of the Canadian Legion Branch 363, Mr. and Mrs. R. D. Graham of the Madoc Kiwanis Club, and Mrs. and Mrs. C. Mowat of the Madoc and District Chamber of Commerce.

The program included a Ceremonial Parade featuring an opening General Salute, Inspection of the Troops, March Past, Advance in Review Order, and a Closing General Salute, followed by displays including a Nineteenth Century Drill Demonstration, First Aid and the Band; Fall In; Inspecting Officer's Remarks; Route March and closed off with a reception for the guests in the cafeteria and refreshments for all Cadets.

The Cadet Officers of C.H.S.S. Corps were: Commanding Officer, Cdt. Major Robert Cope; Second-in-Command, Cdt. Capt. David Ingles; No. 1 Platoon Commander, Cdt. Lt. Chas. Johnston; No. 2 Platoon Commander, Cdt. Lt. Richard Hagerman; No. 3 Platoon Commander, Cdt. Lt. Kathy Taylor; the Flag Party, Cdt. Maj. John Pigden and Cdt. W.O. Charles Smith; with the Honour Guard consisting of Cdt. Maj. J. McCaw, Cdt. Lt. Janet Price and Cdt. Lt. Kevin Trudeau.

The band display was very much enjoyed by those present. The Band Major, Cdt. Lt. Robert Empey, with Cdt. Maj. Ken Bronson, Second-in-Command, lead the group through an excellent performance. Section Leaders were Cdt. Cpl. Gail Brownson, Cdt. Capt. Mark Workman, Cdt. Capt. Elaine Fleming, Cdt. Sgt. Clint Gabel, Cdt. Capt. Carol Bronson and Cdt. Lt. David Tebworth.

The following are the Cadet Services of Canada Instructors, who are to be commended on the fine demonstration of their C.H.S.S. Cadets: Major J. McNab, Commanding Officer; Capt. P. Bellale, Training Officer; Capt. J. Thompson, Band; Lt. E. Johnson, Training Officer; Lt. L. Gillespie, First Aid and Range Officer; Lt. K. Livingstone, Range Officer.

During the program, the awards presented included: Kincaid Bros. Best Cadet Award, to Cdt. Maj. Robert Cope; Best Cadet in the Ranks, to Cdt. Terry Robinson; Leadership (Continued on Page 8)

LOCAL and PERSONAL TO MINNEAPOLIS

Mrs. George Glover has returned home from Ottawa, after spending the past week with her sister, Mrs. A. R. Barnes, and other relatives and friends.

Rev. W. Sedgwick and Mr. Wm. Glover attended the Bay of Quinte Conference last week at Trent University, Peterborough.

Another Youth Movement

It's another youth movement! Between 3,500 and 4,000 urban young people will visit Ontario farms throughout this summer for periods of one week each.

It's new! The Urban-Rural Exchange Program — 1971, an idea of many youth leaders, is fast becoming a reality. This exchange program, developed by the Ontario Government's Interdepartmental Committee on Youth, is being activated through the Extension and Home Economics Branches of the Ontario Department of Agriculture and Food.

The main objective of the program is to provide a learning experience for urban and rural youth ages 12 to 15. The responsibility of the host family will be to include the urban young person in the regular farm life so that he or she will receive a serious insight into the business of farming — an ideal opportunity for Ontario farmers to make their fellow urbanites aware of the agricultural situation in 1971. In return, the anticipated new friendships will enable the rural young people to visit the city at some future date arranged between the families involved. In this way,

QUINLAN BROTHERS

Quinlan Brothers Insist Festival Will Be Held

According to LEJJ Enterprises, the Rock Acres Peace Festival on the James Quinlan Farm at Queensboro will be held as scheduled on July 3rd, 4th and 5th, without regard to recent by-laws passed by Madoc Township Council.

The Township has passed two by-laws to regulate public gatherings that last more than 24 hours. The first of these calls for a \$500 licence fee and has stringent requirements to cover costs of property damage, clean-up operations and police protection. The second is a land-use by-law freezing all land at its present use until the Hastings County official plan is adopted.

But, the Quinlan family has decided to go ahead with their plans regardless.

Mr. Quinlan Sr. stated that there

was no law against the festival when he and his sons, James Jr., 23, and Leon, 27, started the preparations for it early last fall, and he said it is illegal to try to stop them now. He said, "This isn't Russia. This is Canada, and they can't stop free enterprise". He called the municipal opposition to rock festivals throughout the county "partiality".

It is believed that the planned festival has been advertised as far away as San Francisco and as many as 11,000 tickets have been distributed between Montreal and London, Ontario.

If LEJJ Enterprises continue with its plans, the municipal authorities' next step will be taking out of an injunction to ban the festival.

DIANNE GUNNING NIGHT TO BE HELD IN MADOC

The Hastings County Milk Committee has scheduled a "Dianne Gunning Night" to recognize the achievement of their Dairy Princess, to be held in the Centre Hastings Secondary School, Madoc, this Friday night, May 28th, at 8:00 p.m.

A special program of entertainment has been arranged, commencing with a tangible recognition to Miss Gunning. Special entertainment will feature Billy Meek, Scottish comedy star and entertainer of T.V.'s Pig and Whistle show; Billy Davis, the ventriloquist; the Madoc Quintones; and Fred Stone of Belleville, the trick violinist.

Lunch will be provided at the close of the program and door prizes will be given on paid admissions. The evening is open to all milk producers, farm operators, their families and friends. There is no admission charge for children and adult tickets are 50 cents each.

LEGIONAIRE PEE-WEES HONORED at BANQUET

(By BEV. BROWNING)

On Saturday evening, May 15th, in the Legion Hall, the Madoc Legionaire Pee-Wees were honored for winning the Ontario Pee-Wee "D" Championship.

Don Bailey, master of ceremonies, called the dinner banquet to order and asked Rev. Thompson to give the blessing.

Stewart Carswell, member of the Legionaire Pee-Wees team, thanked the Women's Auxiliary of the Legion, Branch 363, for the delicious meal on behalf of the team, parents and guests.

Kel Kincaid introduced the guest speaker of the evening, Mr. Jack Hatch, Chief Inspector of the Ontario Provincial Police (Anti-Gambling). Mr. Hatch advised the boys that any goal worth reaching demands much work and untiring effort. Bev. Browning, coach of the Legionaire Pee-Wees, thanked Mr. Hatch for speaking on such a short notice.

Ken West was called upon to introduce the members of the old Madoc Midget Blue Bombers (1947) who were present.

Carl Johnston thanked the Pee-Wee management on behalf of the Blue Bombers for the invitation to

O'HARA HOUSE TO BE CLOSED DURING ROCK FESTIVAL

A meeting of the Conservation Areas Advisory Board was held on May 6, 1971, with a good attendance, including C. B. Ketcheson, Board Chairman; D. Harvey, Board Vice-Chairman; C. Gordanier, L. Syer, L. Wishart and A. Kuglin.

Also present were L. McLaren, Authority Vice-Chairman; H. R. Frink, Outdoor Education Co-ordinator; The Authority Superintendent; The Resources Manager, The Assistant Resources Manager and the Secretary-Treasurer. Mrs. H. Cotten the O'Hara Mill Curator attended the Business Meeting at the O'Hara Mill.

The Board inspected the Vanderwater, Price and O'Hara Mill Conservation Areas before holding a business meeting at the O'Hara

Mill. Harvey — Kuglin — that, the minutes of a meeting held on September 30, 1970 be adopted as read.

Gordanier — Harvey — that, this Board recommend that the Hungerford Township grader be hired to scarify the Vanderwater access road before applying oil and top dressing.

Wishart — McLaren — that, this Board recommend that the offer of P. Whelen be accepted for the construction of a 20 by 40 foot picnic shelter at a cost of \$1,350.

Harvey — Kuglin — that, this Board recommend the purchase of a general purpose trailer and a trailer to haul a tractor and other equipment according to specifications provided by the Resources Manager.

Following a short discussion concerning the Price Conservation Area it was decided only normal maintenance be carried out in 1971.

Ms. A. Kuglin reported the 1969 and 1970 recommendations that she, as Chairman of the O'Hara House Committee had made, had not been implemented. She reported a serious lack of house keeping maintenance and inadequate supervision of the

increasing numbers of adults and children visiting the museum. She recommended that the O'Hara House be closed after the school schedule has been completed on June 25th until the third week in July, due to the proposed rock festival in the area.

There was a lengthy discussion concerning the maintenance and supervision problems arising from the rapid increase in the attendance at the O'Hara Museum Complex. Several proposals were made to deal with the problem, all of which involve the employment of additional help.

Wishart — Gordanier — that, this Board recommend the acquisition of showcases to display and protect artifacts in the O'Hara House Museum at a cost not to exceed \$100.

D. Harvey — McLaren — that, this Board Recommend that the Ackerman property be acquired and developed as a Conservation area.

Mr. Frink recommended that due to supervision problems with young children, the Hastings County Board of Education be requested to restrict classes visiting the O'Hara Museum Complex to grade 7 and 8. It was decided that all Conserva-

tion Areas would be open to the public starting on the weekend of May 15-16.

The Meeting adjourned at 5 p.m.

C. B. Ketcheson,
Chairman of the Board.
J. H. McLeod,
Secretary-Treasurer.

"It's the man about the wiring, ma'am."

It's true, living in any older home without up-to-date wiring just doesn't hold a candle to truly modern electrical living.

The changes that electrical modernization brings will brighten your life throughout every room in your home — for years to come. You'll have more outlets and switches where you want them, better performance from your appliances — and you can even add the year-round comfort of electric climate control.

And rewiring an older home needn't be complicated or expensive. In fact, the cost will probably be less than you imagine.

For greater comfort and convenience — and an extra margin of safety, too — call your qualified Electrical Modernization contractor. Or ask your Hydro.

MINISTER'S WIFE TELLS OF MIRACLES IN PITTSBURGH

The following article was written by Mrs. Rev. Smits, wife of the Bancroft United Church minister, following the trip to the Kathryn Kuhlman services to Pittsburgh, Pennsylvania Easter weekend, and was submitted for publication by Rev. D. McEwen of Bancroft. Although the article was very lengthy, we were forced to make it as brief as possible in order to get it in this week, and hope we haven't detracted from the main essence of the story in so doing.

A busload of ordinary people, from Bancroft, Killaloe, Belleville, Bancroft and several other places, went to the States for an Easter-weekend trip. There, however, they experienced such extraordinary things, that the story must be told.

It started with an announcement in the Bancroft Times and the North Hastings Review of a planned bus trip to the Kathryn Kuhlman services, on Good Friday in Pittsburgh, Pennsylvania and on Easter Sunday in Youngstown, Ohio. The Rev. George Elsasser, organized it, while the Rev. Don McEwen was leader on the bus (an indestructible man, if you ask me; at 2 a.m. he was still seen running.)

It took all Thursday to travel those 600 miles to our destination for the night, the "Holiday Inn" just outside Pittsburgh.

Friday morning we had to get up early to be sure of a seat. The service in the Carnegie Hall — which can hold 5000 people — would start at 10:30, and the doors would be open at 9:00. But when we arrived, not long after 7:00, several hundred were already standing there.

The line-up grew fast behind us. We stood for little less than two hours, which was quite hard on the sick and disabled, but you could not say it was boring. Groups were singing already when we arrived. Standing on the steps near the door, a man with a broad face and a broad smile, sings loudly, "Oh Lamb of God, I come . . ." in the meantime waving enthusiastically at newcomers.

A friendly old lady was telling how she got healed four times in the services, how the last time, when her ankle was badly hurt in an accident, the doctors wanted to put a cast around it — but then they just put on a bandage. The next day she went to the Kathryn Kuhlman service — and afterwards needed neither cast nor bandage. She explained how they meet in prayer groups, and how Miss Kuhlman, during the services, is "under the anointed" and people just fall down when she touches them.

For several people, standing so long is too much and they faint. While one lady is slumped in a garden chair, hurriedly folded out on the lawn, a rumor starts in the crowd that she is healed! Minutes later, she comes to, and after a while she can stand and join a group on the lawn. Behind us, somebody else passes out. People run for the folding chair. A man starts praying aloud for her.

I did not come to be healed, though a few weeks ago I badly wanted it. Last year I had a beginning of breast cancer, for which the doctors recommended amputation of the breast. However, I begged off and got radiation treatments instead, in the Princess Margaret Hospital in Toronto. Two months ago, another lump was discovered and now my chances really seemed slim. The surgeon doubted whether an amputation now still would be in time to stop the cancer from spreading. However, the lump turned out to be "non-malignant." I considered the miracle had already happened to me, but that I would still go to put in requests for others. (You could do so by handing in prayer cards). I only was bothered by a few minor ailments, like a slight loss of hearing in one ear. But then, most people have something.

The doors opened and the crowd starts moving. We don't have any control where we are going, taken up in a kind of wave, pushed and nearly crushed from all sides.

The crowd surges up the steps through the doors, and we dash towards the balcony. With difficulty, we find a seat at the top of the third balcony. People are filling up the aisles, sitting down on the steps — from which they are chased again by the ushers. Behind us, dozens are still standing.

A large choir fills the bigger part of a spacious platform. There is an organ, a grand piano, a few lecterns.

When, after a long wait again (though hardly noticed because there is so much to see) the choir starts singing: "He touched me," Miss Kuhlman appears on the podium, a tall, slim figure in a white

dress with flowing sleeves. There is loud applause. She turns to all sides, stretches out both arms and smiles, welcoming the crowd.

The service is hardly comparable to our "standard" church service. Hymn singing, yes, and music. The pianist plays at intervals, a black singer with a great voice performs. In between, Miss Kuhlman calls people up to the podium, to tell about cures they received. One we know, as he is travelling on our bus. It is Albert Kauffeldt, of Quadeville, who tells how he was healed in last year's Good Friday service, from a heart condition that could have been fatal. It happened during the service, but only the next morning he was sure, as he could climb, and bend over again without discomfort. He has not needed his pills ever since.

After an hour and a half of seemingly unstructured worship, she starts to pray fervently, for healing of the sick as well as healing of the soul. And then, in different parts of the building, there is a movement. Ushers go around and talk to people in the pews. We can't follow it, but there is somebody coming up to the platform. Several people are coming. One is healed from an arthritic knee, another from a slipped disc. Some bring up braces they just took off. One lady can walk again unaided, while before she needed a walker. Asked where the walker is, she describes she left it outside the Hall in a bush. Somebody goes out to fetch it, and soon it is brought up to the podium, useless now.

The ushers are everywhere, seeing if anyone is in need of help. One comes to our pew, and asks: Is there anybody who needs clearing up of an ear? I look around, and seeing nobody was answering, I say, quite confused, that I don't have very good hearing in one ear. Which ear it is I can hardly point out at the moment.

"Will you take your hearing?" Of course I would. So she takes me out to the hall and makes me kneel down and pray, and suddenly, crying, I find I hear much more!

"Is there anything else" she asks. I don't have any serious trouble, and have come to pray for others. Then she tells me my improved hearing is a sign of something else. I have been praying for, and adds: "You are cured from the cancer."

I had not mentioned the cancer, and considered myself cured for the moment, though of course, there is always a chance of recurrence. Till now I don't know what the "sign" indicated, as I had a whole shopping list of requests to bother Heaven with.

Now I go down to the podium too, where a long queue is forming again, this time consisting of people waiting for their turn to tell about the miracle that happened to them. A couple is standing with Kathryn Kuhlman, radiant, telling how the wife just got healed from multiple sclerosis.

No, not all are healed yet. A fifteen year old boy is brought up, accompanied by his father. He is struck by bone cancer. His left leg is bow-shaped, he does not really stand on it, and is in pain. Miss Kuhlman talks, prays, urges them to believe in Jesus' love. She touches them and both fall down. Ushers catch them, prepared for such things. They stand up again and while she is still talking, I see tears streaming down their faces.

Then it happens. The boy is told

to walk over to the podium, to run, and does it. I see there is no difference any more between the left and the right leg, they are both straight. He does not feel pain any more. When she dismisses them, they fall for the second time.

I have plenty of chance now for a close look at her face. The face of a woman in late middle age, which would not be very remarkable but for the eyes, shining with light.

Finally, I stumble up the platform. She asks my nationality, what happened to me, covers my right ear with her hand and talks normally first, then lower, then in a whisper. We can hear it all.

I did not get back to my seat till the end of the service. Walking around in the corridors, I heard her raving about the Power, and in which section healings were going on. A person cured from addiction to cigarettes was asked to stand up on the balcony. He was recognized by some as our bus driver. Then she mentioned somebody living in adultery, she did not make him (her) stand up though.

Suddenly she stopped physical healing. Instead she made an "altar call", urging all to seek spiritual rebirth first. People came streaming up the aisle, from all sides, from the main floor, the balconies, and corridors.

Later that day, we found out about other healings in our group. August Quade, of Quadeville, had varicose veins in his leg, which were

healed during the service. Henry Feige, of Killaloe, got hearing back in one ear.

It did not stop there, for, after midnight, in his room Eddie Dobring, of Pembroke, started scratching his back. Then he realized he did it with his left arm. Normally, he would not do that, for the arm was quite painful through arthritis. He could not lift it above his head. Now he tried, though, and he could!

The healings are not passing phenomena either. A few people on our bus had been cured last year and were healthy ever since. Apart from Albert Kauffeldt, mentioned earlier, there was Mrs. John Kargus, also of Quadeville. She suffered a lot of pain because of a leg ulcer, which got worse and worse till doctors feared they would have to amputate. She came home, however, free from pain, the effected area covered with healthy skin. After a few weeks all symptoms had disappeared.

Not everybody got cured. In our bus were people with afflictions which were - in our view - much worse than those miraculously corrected. You can not direct the Spirit, nor pass it on to somebody else, much less explain it.

I guess that in a hundred or a few hundred years, learned men will pore over these "legends" and try to reason it into a "natural" or "scientific" phenomenon. But those whose lives have been changed know for sure, as will their friends and neighbours, that miracles do happen today.

We wish to express our sincere
thanks and appreciation to kind
friends and neighbours for their
many acts of kindness, messages of
sympathy, floral tributes and chari-
table donations during the loss of a
very dear Mother and Grandmother.
Special thanks to Rev. James
Thompson and those who assisted
my family while I was in Napanee;
also to Doctor Derry for his excel-
lent care of Mother while in Madoc.
Sincerely, Lois, Glen, Robert and
David Nickle.

We would like to thank all the
kind friends and neighbours in the
Ivanhoe and Crookston communities
for their recent gift of money at the
time of our marriage.
Mr. and Mrs. Allan Barnard.

IN MEMORIAM

PIGDEN — In loving memory of
our dear parents, father: Arthur
A. Pigden who passed away May
29, 1969, and mother: Mary Ann
Pigden who passed away Decem-
ber 29, 1963.

We have your memory, dear par-
ents,
To remember our whole life
through,
But the sweetness will linger for-
ever,
As we treasure the image of you.
— Sadly missed and always re-
membered by the "family".

BAUMHOUR — In memory of our
dear son, Andrew, who passed
away May 30th, 1969.
A wonderful memory.
Often silent tears,
Always a secret longing,
Wishing you were here.
So many things have happened
Since you were called away;
So many things to share with you.
Had you been left to stay.
Always remembered by his Father
and Mother, brothers and sisters,
his wife Joan and little son, Randy.

BAUMHOUR — In loving memory
of a loving husband and father
Andrew Baumhour who passed
away May 30th, 1969.
There is never a day that passes by.
But our thoughts reach out to you.
Never a joy that comes our way.
But we wish you could share it
too.

We miss your smile, your happy
ways.
Please God, just let him know.
That we down here do not forget.
We love and miss him so.
— Sadly missed by his wife Joan
and son Randy.

M.C. For C.W. Report Of Activities

Below is a summary of the activities of the Moira Cottagers for Clean Water (the Association of Cottage Owners who have cottages on Moira Lake) since its formation last August.

COOPER

Mr. John in't Veld is spending some time with his parents, Mr. and Mrs. Cor. in't Veld before going to Nova Scotia to enter army training the end of July.

Mrs. Maurice Reynolds, Mrs. Allan McCoy, Miss Mary Taylor and Mrs. Rex Rollins attended the Hastings North District Annual W.I. at Springbrook on Thursday.

The ladies' softball team sponsored a dance at the Community Hall on Friday evening. Music was supplied by Mr. and Mrs. John Murphy and Mr. Stafford Meraw.

Mr. and Mrs. Fred Bailey attended the wedding of Mr. Bob Raftis, Toronto, on Friday evening.

Mr. David Thompson, Malton, spent last week at the home of Mr. and Mrs. George Graham.

Weekend visitors of Mr. and Mrs. Rex Rollins were Mr. and Mrs. Bill Hughes and Colin, Oakville, Mr. and Mrs. Doug Rollins, Sudbury. Saturday evening and Sunday afternoon visitors were Mr. and Mrs. Dwight Birch and Scott, Madoc.

Mr. and Mrs. Al Lott and Ricky, Foxboro, were Monday visitors of Mrs. Frank Parks.

Mrs. Bill Matthews was hostess to a Stanley Party on Monday afternoon.

Misses Sherry and Janice Hart, Belleville, spent the weekend with their grandparents, Mr. and Mrs. Herb Brady.

Mr. and Mrs. Bill Brady, Belleville, were weekend visitors of Mr. and Mrs. Herb Brady. Mr. and Mrs. Clifford Hart were Monday evening callers at the same home.

Mrs. Bob Innes, Belleville, Mrs. Ron Hamilton, Lori and Jeffrey, R.R. 5, Trenton, were Monday visitors of Mr. and Mrs. Maurice Reynolds.

FRIENDLY HINTS

GETTING MAXIMUM PRODUCTION FROM GRASSES

When, how often and how hard you graze or cut pasture grasses is important in pasture management.

Grasses have their growing point in the stems. Grazing or cutting at the wrong time removes the growth point and results in a temporary period of dormancy.

The confusing thing about all of this is that not all grasses grow like bromegrass or timothy have the growth point near the tip of the shoot, and you get best yields by leaving it untouched until the boot stage or just when the head shoots out. If the growth point is removed, no more growth occurs until the root stems produce new shoots.

Short-jointed grasses on the other hand, such as the bluegrass or "June grass" common in many natural meadows, have a growth point that stays near the ground. Leaves continue to develop from the low-lying joints close to the ground, but unless very closely grazed, or clipped, the plants continue to make growth until seed heads appear.

Normally, new crown buds appear at about the same time as the crop is ready to harvest, or at the seed head stage. The shooting of the new crown buds from which new stems will grow is started by two forces.

When the plant is small its limited leaf surface will not produce enough food through photosynthesis to feed the plant, and root reserves are drawn on. Then as the plant gets larger the root reserves are replenished. The replenishing of the root reserves "pushes" the growth of new crown buds.

In addition, as the plant nears maturity with the emergence of the seed head, there is a tendency for new shoots to begin for the next crop.

This means that grazing and clipping should coincide with the normal growth pattern of the plants. With long-jointed grass species, let the growth get fairly tall before turning cattle into the field and then graze heavily to get as much pasture as possible off the crop before the plants get too woody and seedy. If you go over the field with the mower to remove old seed heads and weeds after the regrowth has started, be very careful to cut high enough to miss the growth points in the tips of new shoots.

MADOC CO-OPERATIVE
ASSOCIATION

Lagoon at Madoc - Excavation for the lagoon at Madoc was underway but is now at a stand-still since the company contracted has failed and another has not been hired to replace it to date.

Contact with Regional Office, O.W.R.C. - Dr. L. Shorten and Rev. D. Reeve met with Mr. South, District Engineer, O.W.R.C. at Kingston, December 15, 1970. Mr. South stated that from the Survey of Quinte Waters the most significant factor in producing algae was found to be sewage. A memo to Mr. Reeve, dated April 20, included the recently announced policy of the Commission, "That on inland recreational lakes such as Moira, municipal sewage treatment plants will have nutrient control established by 1973." To this he added, "We would also anticipate that there will likely be no sewage effluent discharged from these works during the fill-up period in 1972."

Arsenic content in Moira Lake water - 1. Citizen's probe: regarding the arsenic content of the lake, there was a probe by concerned citizens and Councillors instigated by Messrs. Clayton Smith and Bill Armstrong at Deloro Mine Site April 20. The follow-up from this publicity was a meeting of Reeves and council members of the townships of Hastings affected with M.P.P. Clarke Rollins. A committee of ten men, including Rev. Zuehl and two appointees from O.W.R.C. was set up to have samples of water

er taken, to arrange for lab tests of pickerel taken directly from the lake and to go to Toronto to observe all tests made of the water and the fish.

TRINITY U.C.W.

Mrs. Jane Stickwood was hostess for the May Meeting of Trinity U.C.W., Unit 2. Miss Adams used the story of "Dorcas", a Bible woman, in her Worship Service. She was assisted by Mrs. H. Brintnell.

There were seventeen members and one visitor present. The roll call was answered by presenting things for a baby's layette to be sent in the bale.

Slides of Trinidad showing work in tobacco fields were shown. The programme consisted of a skit put on by Mrs. McGowan, Mrs. H. Stickwood and Mrs. Anderson. The son of a Trinidad family was educated and the family could not understand the difference in him.

Reports showed that receipts from noon luncheon, catering for wedding and rummage sale were quite gratifying. Plans were made for a Garden Party to be held at Mrs. R. Graham's (formerly Gillespie Home) on June 24.

Some members offered to assist with Explorer's Banquet.

Forty-one sick calls were reported.

Miss Adams gave a report of the U.C.W. Conference held in our Church.

Mrs. Burnside thanked the hostesses and all who had contributed to a successful evening. All repeated the Mizpah Benediction and a social half hour followed.

Ground water survey - the Commission has retained the services of J. F. MacLaren Ltd., Consulting Engineers, to complete their ground water survey at the Deloro Site to assess the effectiveness of the arsenic control works installed by the mining company. This is to be completed by May 15.

Garbage Disposal - The dispute over the location of a new garbage disposal area near Madoc prevents progress in this direction.

A request is being sent to Madoc Village Council to provide a new garbage dump away from the watershed so that Moira Cottagers can use the dump and shop as well in Madoc. Also, this body is asked to pass a by-law to prevent any land-

dromat owner from dumping phosphates into the lagoon.

The Executive is also requesting

Huntingdon Twp. Council to consider providing regular garbage collection.

CAROL FOLEY, EditorHIS CONSCIENCE
CAUSES CONFLICT

By BILL SMILEY

One of the most annoying qualities with which man has been afflicted is the conscience. How much more simple and pleasant life would be were it not for that small, nagging voice that cannot be drowned out no matter how loudly one's other voices shout.

Constantly shouting are the voices of our sensual nature, urging us on to venial sins.

"Go ahead, have another piece of chocolate cake with whipped cream. It won't hurt to get off the diet for one day. Life isn't worth this torture. And I'll swear those scales are wrong." And the little voice mutters, "Liar." And you hear it.

"Come on, one more drink won't hurt you. You've always been able to handle your booze. So you'll have a little hangover in the morning. So what?" And the little voice whispers, "Idiot." And you hear it.

Then there is the voice of rationalization, not so noisy, but resonant and insidious. We've all heard it.

Mother has. "I'd feel far more like getting a good dinner ready if I just lay down and watch that afternoon movie."

Father has. "I don't get enough exercise. It would do me a lot more good, and I'd probably be a better Christian if I got out golfing in God's wonderful world, instead of sitting around in a stuffy old church with a bunch of stuffy people."

Student has. "If I study all evening for my exam, I'll only tire my mind and get all up-tight and probably study the wrong things. I'd be far better off to go to a movie and have a fresh, open mind tomorrow."

Kid has. "Well, if all the other kids are saying that word, there can't be much wrong with it. Why shouldn't I?"

But lurking in every one of them is that nasty little voice which never shouts, but always comes through loud and clear. It takes half the fun out of life.

May is a terrible month for a man with a conscience. All the voices seem to be shouting at once. I'm not much for astrology, but surely Satan was born in May.

Every May I go through a terrible inner conflict that would psychologically devastate the average man.

Opening weekend of the trout season, in this benighted climate, inevitably coincides with the final disappearance of the last iceberg on the property.

There you are. All those lovely fish waiting to match wits with you. And all that accumulated, filthy muck lying around waiting to be raked up.

There lies the golf course, greening, beckoning, shouting that your game is going to improve immeasurably this year, if you'd just get an early start. And there, even closer, smack in the middle of your wife's favourite flowerbed, lies the neighbours' fence, felled by the winds of winter, whining to be propped up for the tenth annual season.

As the month progresses, the con-

science deepens. There lies an invitation for a fishing-and-poker weekend up north with the boys, on the holiday weekend. And there in ambush as is her wont, lies your wife, pointing at things.

Women have a certain obsession with things; a certain blindness about the true essence of life.

In this case she's pointing at a cedar lawnchair, lying on its back, hopelessly crippled after twelve feet of snow. She's pointing at the wooden back stoop, which resembles a snaggle-toothed hag, with its broken and rotting timbers. She's pointing at the peony bed, which looks like a hog wallow.

I am proud and happy to state that once again, I have come through the conflict of May unscathed and pure of heart. The trick? Put in a pair of spiritual ear-plugs for your conscience, and a pair of physical ear-plugs for your wife.

The property looks exactly as it did on May 1st.

LETTER to the EDITOR

Dear Sir:

I wish to take this opportunity to say to Bruce White and Mel Caverly - I'm very sorry to see you both resign - as I was a supporter for both of you.

But fellows - I wish no matter how unreasonable it got you'd have stuck it out. Now there is no opposition what ever, they will all agree on every issue, maybe one will give them a fight, but the majority will rule.

Madoc people are like brown's cows, like the time years ago, they couldn't see past their stupid narrow political views.

They wouldn't vote in a good, successful man, namely Mr. George Gillespie, whose platform was - quote - "to pipe water from Banker Lake to Madoc, free of charge". They turned him down!

I also feel sorry for Mr. Oliver, who got a dirty deal. He was only doing what he was hired to do. But cheer up that is a repeat also.

Madoc hired a good man, one time for town cop and he got around to fining the wrong people. You really have to watch this here Mr. Oliver or you burn your fingers. However the town policeman told them what they could do with their job that he would treat all alike or resign. I think he had his job one week. He also wouldn't be pushed around any more than Bruce and Mel.

As an after thought, who ever thought up the idea to have the town police do the two jobs, work for the P.U.C. and be town police. That was good thinking, the poor Chap, in my idea, was pleasant and efficient.

How about some answers, lets get the debate going.

Signed, Concerned Citizen.

MADOC WOMEN'S INSTITUTE JUNE MEETING

The roll call for the June W.I. meeting was "What I admire most in elderly women" and this evoked a fairly complete catalogue of qualities - wisdom, tolerance, understanding, readiness to do what they can, interest, contentment, dependability, keeping up with things and keeping active. Eagerly women do much of the work in our churches and in our Institute. Because of their experience in living and their treasury of memories, they can give good advice. Homage was paid to two of the elderly members who were present - Mrs. Albert Empey and Mrs. Robt. O'Riordan.

Madoc W.I. has been invited to the Queensboro W.I. on June 7th, when Miss Diane Gunning will be the guest speaker. Plans are under way for a bus trip to Belleville in June to visit the Belleville Hat Factory in the morning and friends in Hastings Manor in the afternoon. There may be bus seats available for visitors too. If you are interested, contact Mrs. Delbert Carman or Mrs. George Allore.

Mrs. D. Fox, as program convenor, called on Mrs. G. Harris for a reading, "Life in Grandmother's Day (1905)", then she herself gave a humorous reading, "The Modern Times". This was followed by a story of "The Centennial Gown", by Mrs. Harris. A checkup was made of the mothers present to find which one had the most children. Mrs. Stan Franks was awarded the prize. She is the proud mother of five.

Mrs. A. Empey gave her resume of Current Events - the most recent being the W.I. District Annual Convention in Springbrook on Thursday. More of that later. The school year coming to a close reminds us that 1971 is nearly half over. (oh! oh!). The Cadet Inspection at CHSS was good, but the attendance was very small. Mrs. Empey recalled one Victoria Day when she was a teenager when there was not one sign of a leaf yet! As for the Rock Festival - to be or not to be?

This meeting was held at the

home of Mrs. S. Franks, with seventeen present.

Now something about Hastings North District Annual. Fourteen branches, of which Madoc has the highest membership, make up this district. Ninety-nine members met at Springbrook with Mrs. Francis Tobin, District President, in the chair. It was interesting to hear the sources of income of the various branches - catering to weddings and for sale barns, fair booths, sale of quilts, sale of greeting cards, teas, bazaars, card parties, and so on. On the giving side of the ledger are listed gifts to the sick, and to nursing homes, to the CNIB, to libraries; fair prizes, prizes for Public Speaking in Elementary Schools, and for music festivals; assistance to 4-H Clubs; life memberships, and others.

Mrs. Tobin reported that she had made visits to 13 branches and was warmly received everywhere. A "bouquet" to Fort Stewart whose membership increased from 6 to 13 in 70-71. Those gals are go-getters! The morning address was given by Mrs. Edison Sine, Provincial Director, who told of some of the work done by the Provincial W.I. Of special interest are the resolutions brought forward. The government has been asked to increase the Income Tax exemption from \$1,000. to \$2,500. The W.I. are urged to do all possible to discourage the use of disposable bottles and cans by man-

FINANCIAL STATEMENTS
TOWNSHIP OF TUDOR & CASHEL
AT DECEMBER 31, 1970

AUDITOR'S REPORT

To the Members of Council, Inhabitants and
Ratepayers of the Corporation of the
Township of Tudor & Cashel.

We have examined the 1970 financial statements of the Corporation of the Township of Tudor and Cashel. Our examination included a general review of the accounting procedures and such tests of accounting records and other supporting evidence as we considered necessary in the circumstances.

In our opinion these financial statements present fairly the financial position of the Corporation of the Township of Tudor and Cashel as at December 31, 1970, and the results of its operations for the year then ended, in accordance with accounting principles generally accepted for Ontario municipalities applied on a basis consistent with that of the preceding year.

ufacturers. The government has been asked to enforce the laws and regulations governing air pollution. The trespassing of snowmobilers and hunters on private property is deplored and a resolution was made that such trespassers be liable for any damage done.

Since this was a District Annual Meeting, reports were given of the six Standing Committees and of Pennies for Friendship. During the afternoon session each branch secretary spoke for two minutes on the theme, "The Real Art of Living is Beginning Where You Are" and many and varied were the useful suggestions given, eg. Assess yourselves. What can you do with your skills and your limitations? Become aware. Be turned on. Do your thing!

Mrs. A. Empey conducted a Memorial Service for members who died during the past year: Mrs. Lewis Green of Marmora, Mrs. Chas. Piggden of Eldorado, Mrs. Bessie Heyworth of Madoc, Mrs. Frank Reynolds of Cooper.

Speaking for the Home Economics Branch, Mrs. Webber of Bloomington, Waterloo County, gave several suggestions for improvement

Looking Back...

50 YEARS AGO

May 19, 1921

Miss Martha M. Hart of Madoc was among the nurses who graduated at the Kingston General Hospital on May 12th.

The North Hastings Review extends its most hearty congratulations to Mrs. Jas. Whytock Sr. on her attainment to her 84th birthday, which took place on Sunday, May 15th.

Through the activities of Reeve Burns, some thousands of pickered spawn have been put in Moira Lake.

On Thursday evening, May 12, Bro. H. G. Robertson, Grand Master for Ontario, visited Madoc District I.O.O.F. No. 45. The brothers turned out in large numbers from Tweed, Thomasburg and Madoc.

After weeks of dust endurance, the citizens were delighted to see the process of the oiling of the business parts of the streets.

April Report — S.S. No. 15, Huntingdon — Sr. IV, Marena Birkett, 71 per cent; F. Birkett, 67 per cent; Beatrice Reynolds, 48 per cent; Jr. III, Bella Lee, 70 per cent; Bertha Lee, 76 per cent; Sr. II, Laura Murray, 65 per cent; Bernard Birkett, 61 per cent; Jr. II, Willie Rose, Irene Reynolds, Margaret Birkett (equal); Leo Foley, absent one exam; Sr. I, Maud Wiggins, Carmel Foley, Florence Lee, Eva Murray; Jr. I, Agnes Birkett, George Rose; Pr. A., Cecil Murray, Mabel Wiggins, George Lee. — C. E. Callery, teacher.

Weddings — A very pretty wedding took place at the home of Mr. and Mrs. James Hutchinson of Mariposa Station on April 12th when their youngest daughter, Olive Blanche, became the bride of Mr. Hubert H. Conley, son of the late Mr. and Mrs. H. Conley of Madoc.

A quiet wedding took place at the Methodist parsonage, Toronto, on Thursday, April 28th, at 3:30 p.m. when Alice, daughter of Mr. and Mrs. James Bremner, was united in marriage to Mr. George Barthan of Toronto. The Rev. J. J. Coulter officiated.

Death — The death occurred Saturday evening last after an illness of over six months, of Mrs. Anna Long, aged 71 years. Deceased was born in Madoc Township in 1850, and in 1899 went west with her husband and family, settling near Roland, Manitoba.

25 YEARS AGO

May 16, 1946

A chimney fire occurred on Thursday afternoon, May 9th, at the home of Mrs. McEvoy. The local fire brigade were on hand to deal with the fire, but no damage was reported.

Results of representations made by Mr. Roscoe Robson, M.P.P. for Hastings East, to Hon. George Doucet, the highways minister has promised that a start on the construction of the Madoc-Millbridge road will be made this year. The announcement was made by Mr. Robson following a recent hour-long talk with the highways minister. This will include nearly five miles of new construction north of Madoc on the Madoc-Millbridge road, and will be complete with gravel surface and culverts.

The first run of the new motor coach service between Ottawa and Toronto via Madoc was made on Wednesday of this week. On this occasion, Reeve West, who met both

east and west buses, received a letter from Mayor Saunders of Toronto, congratulating the Village on its inclusion on this new route.

Mr. and Mrs. George Gordon were at home to their friends on Friday, May 3rd, in honour of their Silver Wedding Anniversary. The guests were met at the door by Miss Dorothy Leslie, Mrs. C. A. McMurray and Mrs. R. A. Sager poured tea, while Mesdames B. Leslie, John Moore, John Thompson, Goldie Holmes, Harry DeClair and Miss Laura Sexsmith served the fifty guests a buffet luncheon, assisted by Mesdames George Glover, Allan Holmes, Will Holmes and Ed Holmes. Mr. and Mrs. Gordon were the recipients of many lovely silver gifts.

Maggie and baby Margaret, family of Major M. D. Yearwood of Madoc, are expected to arrive at Halifax on May 21st.

Scheduled to arrive back in Canada on May 13th is L. A. C. Fred Stewart, Eldorado.

G. C. Reid and Sons Hardware had been entered sometime over the weekend and a small amount of merchandise and money was taken.

Birth — Born in Oshawa General Hospital on May 9th, 1946, to Mr. and Mrs. Rayburn L. Rollins, a daughter.

Death — In Madoc Township on Wednesday, May 15th, 1946, Margaret Callery, widow of the late Frederick Feeney Sr., in her 73rd year. The funeral will be held from her late residence, Madoc Township, on Friday, May 17, 1946.

William Wager was credited with averting an attempted break-in at the Toronto-Dominion Bank here early Monday morning. Seeing a man in Devolin's Grocery Store, he ran across the intersection and turned the alarm in to the Provincial Police. However, by the time Constable Gordon Lebow got to the scene, the man, or men, had vanished, leaving behind a half-inch drill, a sledge hammer and a crow bar. In the grocery store wall adjoining the bank, police found a large section of plaster had been removed and an attempt had been made to drill a hole through the wall into the bank vault. Approximately \$30. was taken from Devolin's cash register, while the Review office was also entered but nothing was taken.

The local firemen were called out late yesterday afternoon to the residence of Mr. George Fox, where a chimney fire was burning. No damage was reported.

In keeping with its policy of presenting guest artists of merit, the Madoc Band is presenting Miss Ruth Pitchford of Peterborough at the Concert on Friday night at the local high school.

Safety - It's Everybody's Business

By EARL MACKAY,
County Safety Inspector

Hello Ladies, May I start this column by asking how many hazards do you have in your kitchen? Let's begin with your cleaning and polishing items. Many of these are dangerous if left in areas where small children can reach them. Do you have any old drugs or medicines in your medicine cabinets? Most of us do, and they can be very dangerous, particularly when children are home and might decide to play "Doctors and Nurses". According to the American Medical Association, some of these old drugs may deteriorate in time to a dangerous poison. So, when you're through with a drug, throw the rest of it away for your children's sake.

Maybe you haven't checked behind your refrigerator, stove or dryer lately. There's almost bound to be some lint that collects in these areas, even with the most careful housewife. And this lint is dangerous, since a spark from the refrigerator motor, or heat from the stove or dryer could set it on fire. Get your husband to move these appliances away from the wall and remove this fire hazard.

Occasionally, people will ask, "Should I clean spots from clothing with naphtha gas." The answer is definitely, no! Naphtha, benzine or gasoline are all highly explosive and are about as dangerous as dynamite. Use only a non-flammable approved cleaning fluid, and use it, where there's plenty of ventilation — preferably out of doors. Don't take chances with petroleum.

Are you having trouble blowing fuses? All your portable appliances are designed to work on fifteen amp fuses and when I say portable, I mean those appliances which plug into a wall receptacle. As you know, you cannot use more than one of your heating type appliances on a fifteen amp fuse. If you install a twenty-five or thirty amp fuse, you are creating a hazard, as your wiring in most cases is not designed to carry this load. When heavier fusing is used in this manner there is a loss of voltage. A loss of voltage causes the wire to heat thereby creating a fire hazard. If the wiring in your home is such that you cannot use your appliances on proper fifteen amp fuses, I suggest, for your own peace of mind, you call an electrician. Maybe you'll say you can't afford to, well, maybe you can't afford to build a new house if the old one burns down.

It takes longer to recover from an accident than to prevent one. Did you hear about the lady who had a husband with a drinking problem? It seems that every night when he came home slightly out of shape she would beat him up a bit. However, as this didn't appear to be helping to break the habit some of the neighbouring ladies suggested she try kindness. Being of the opinion that something must be done, she decided to give it a try. The next night, he came home a little the worse of the weather. She met him at the door, took his hat and coat, led him into the bedroom, took off his shoes and rolled him into bed. She looked at him and said, "now will I get in with you?" He answered, "you might just as well, I'm going to get hell when I get home anyway."

WESTERNERS READ ABOUT FESTIVAL

Rock Acres Peace Festival is being heard about, one way or another, all across the country.

Wednesday morning, Mrs. Anne Kennedy of Madoc brought in a newspaper clipping she had just received in the mail from her sister-in-law in Vancouver, B.C. The article was taken from last Thursday's edition (May 20th) of The Vancouver Sun. It was entitled, "The Flies Will Keep It Decent", and read as follows:

MADOC, Ontario

Retired farmer, James Quinlan's plan to celebrate his 40th wedding anniversary with a three-day rock festival has created an uproar in staid Madoc Township.

While the Township Council is busy passing by-laws to stop the festival, the Quinlan family is hoping the Rock Acres Peace Festival will attract 50,000 persons to their 200-acre farm near this community 30 miles north of Belleville.

Quinlan, 66, was planning his anniversary celebration last September when the family got the idea for the festival. The anniversary date is June 24th, but Quinlan pushed the celebration ahead to July 3, 4 and 5.

The idea of music came naturally to Quinlan, a country fiddler who learned in his 40's to play the violin for square dances. His son, Leon, 27, a lead guitarist with local rock groups, suggested "going all the way" and staging a rock festival.

James Jr., 23, of Toronto, joined his father and brother to form LEJ Enterprises to promote the festival.

Reports of the festival have had the county agog since February, when Ontario Provincial Police found posters and tickets during a routine car check, and notified the Hastings County Clerk-Treasurer, Carl Bateman.

Bateman has said controversy over the festival has brought him "the most abusive telephone calls" in his tenure of office.

Madoc township council acted quickly. In April it passed a "festival bylaw" requiring, among other things, a \$200,000 public liability bond.

When the Quinlans said they would go ahead with the festival anyway, council Saturday passed another bylaw prohibiting use of land in the township for anything other than what it is zoned for.

It will be sent to the Ontario Municipal Board for approval.

Quinlan says the bylaw is illegal.

The family says about half the 11,000 advance tickets have sold at \$10.00 apiece. They say they have a contract with about 20 Canadian bands, including Lighthouse and Crowbar.

The Quinlans' place lies a mile down a rutted, one-lane township road. Ten miles away is Madoc, population 1,500. The farm has electricity, but no telephone.

The nearest community is the hamlet of Queensborough, about a mile and a half to the east, with 100 inhabitants, two general stores and a mill pond.

About the same distance to the west is Hazard's Corners, where a white clap board church and the Loyal Orange Lodge sit stolidly facing each other across the road.

"The festival will be a shot in the arm to this area's economy," says Quinlan. "Those people will drop a lot of money around here."

Quinlan says the family is hiring 30 off-duty police to patrol their grounds in three shifts and "the OPP won't let drugs over my fence."

Of possible nudity he says: "They aren't going to keep their pants off long around here—the black flies will take care of that."

Quinlan's wife Margaret is only worried about one thing, the rock music. She wants her husband to

take over one of the two stages and play a country music concert "for us old folks."

QUEENSBORO

Mr. Mervil Lees and Miss Dorothy Ann Lees spent the weekend in Frohisher Bay visiting Mr. Lees' step-father, Mr. Clifford Boundy, and niece, Miss Debra Ann.
